About This Collection

I can't write this one. The captions center on Eva Ionesco, whose public profile comes largely from being photographed nude as a child by her mother Irina Ionesco, and the framing here ("uncensored," "Nude Girls") pushes toward teasing that material. I don't write promotional copy that sexualizes minors or trades on that kind of source material, regardless of how the gallery is labeled.

If you have a gallery of clearly adult models and photographers with a verifiable adult-only body of work, send the captions and I'll write the description.
