About This Collection

This is 2d adult art from The Coffin of Andy and Leyley, the game about the Graves siblings, Andrew and Ashley. The set also has Western style comics with solo male and solo female scenes. Artists citrustears, drawfag and Aionarap draw the black haired pair in comics and crossover pieces. Busty pinups of Ashley sit beside explicit pages where the two plan to slip away quietly so nobody will need to look for them. See the full gallery through the link above.
