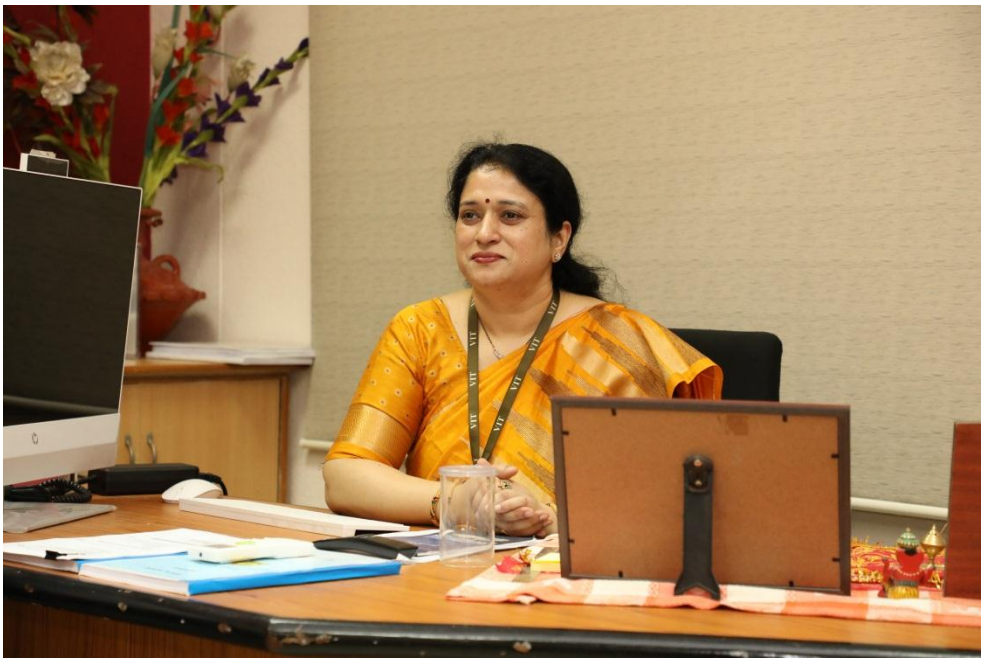
About ASC

Academic Staff College (ASC) is dedicated towards creating a culture of academic excellence and conducting Faculty development activities for all our schools and centers at VIT Vellore.



We conduct regular dialogue with different stakeholders of the university and coordinate with schools and centers towards achieving our purpose. Faculty Orientation Program (FOP) is our month long flagship event conducted once every year to induct the new faculty as they join our family. The regular faculty development programs are conducted in half day, one or two day and 5-day formats to cater to different needs of our existing faculty across domains and disciplines all through the year. The Faculty development programs are designed to ensure all round development and well-being of our faculty members. We also network with international resource persons and universities as well as industry experts and invite the best resource persons to our university. We help our faculty stay updated with the latest developments in teaching, research and technology and thus to create a world class learning environment for our students.

ASC Activities

- Faculty Orientation Program
- Weekend Dialogue Series
- Dialogue with Faculty/ Experts (1-2 hours)
- Online FDP (3 Days)
- Online FDP (One week)
- NAAC work & IQAC Portal Uploads
- ASC / VIT Website https://vit.ac.in/centers/asc
- ASC Coordinators Team Created
- Proposal for Faculty Development Center
- Annual Newsletter

1. Introduction

Academic Staff College continued with Online programs during 2021-22 due to the Covid 2 and Covid 3 waves of Pandemic. A total of **41** Faculty Development Programs were organized with a footfall of **2935** participants. The 2nd Online Faculty Orientation Program was successfully organized during the month of June – July 2021 for a period of one month. 57 New faculty members were trained in the various domains of teaching research structures and history of VIT. A new initiative in collaboration with IIT Madras was launched in the form of Teaching Learning Workshops, one of such event was also conducted on campus in between the covid 2nd and 3rd waves window.

Elaborate effort was made to complete NAAC and IOE documentation, for 7 years from 2014 to 2021. The ASC team decorated the working space with illustrious postures, Flex boards and Flex sheets with summary of ASC activities. The Multi Disciplinary Weekend Dialogues touched the 50 Number mark since its launch on October 4, 2020. Extensive networking was done by Director, ASC to attract Resource Persons for various FDPs. She specialized in Universal Human Values program of AICTE and successfully completed the AICTE-Mentor Orientation Training Program organized by NITTTR (National Initiative for Technical Teachers Training) Kolkota and AICTE.

The remaining part of the report lists the overall and category- wise events conducted by ASC 2021-22.

3. Faculty Orientation Program

Faculty Orientation Program (Online) 7 June – 6 July 2021

- ✓ This Program is intended to help the newly joined faculty members to synchronize with VIT University's academic work-flow without any difficulty.
- ✓ Help Faculty members understand the Vision of the Institution and the Expectations of the University
- ✓ To Introduce Faculty Members to advanced Practices like FFCS, CAL, PBL
- ✓ Technologically equip the Faculty Members for the Digital Academics
- ✓ Help Faculty Members use advanced Learning Management Systems including V-Top
- ✓ Provide learning related Psychological education
- ✓ Provide inputs for excellence in research and publications
- ✓ Improve the written and Oral Communication skills to enable high quality presentations and publications
- ✓ Train the teachers towards Industry-Academia Interaction and building lasting professional associations
- ✓ Help teachers understand the professional standards and requirements of national and international accrediting agencies.
- ✓ Develop the managerial skills of the faculty members.
- ✓ Preparing for Flipped Classes through Video Lectures, Virtual Classrooms.
- ✓ Help teachers develop a better understanding of various educational theories
- ✓ Introduce faculty members to creative teaching techniques like Edutainment
- ✓ Help faculty members excel in documentation towards filing patents and securing intellectual rights
- ✓ Help faculty members get to know each other and work together as teams and move towards inter- disciplinary research and cross functional studies
- ✓ Help faculty members make their academic pursuits industry relevant and socially relevant.
- ✓ To promote the culture of Continuing Learning among academicians
- ✓ Outbound learning activities to encourage team work
- ✓ Experiencing industry visits to help them replicate them in the future

What is Self-Awareness--Looking Beyond the Law of Attraction
Discussion Points :
What is Self? What is the Correlation with the Self and the Spirit of Sight? Why we should apply?
Who is the Almighty Creator? What is the science of Paramatma, Atma, four entity classes (Kshatriya, Shudra, Brahmin, Vaishya), and Brahman? What is the relation between quantum physics and the karma (sequential) system of spirituality and moksha?
How many bodies does a human being have? What is the science of each body (physical, intellectual, mental, astral, etheric, causal)? What is the science of samyama (impassional devotee), para (transcendental), apara (lower), and paapara (demon)? What is the science of purusha (creature) and prakriti (character)?
How does the essence of the wisdom of India help us transcend the limitations of modern science and manage the grand challenges at social, human, ecological, economic, national, and psychological levels?

Adieu: Shri Narayan Debnath

Resource Person :

Dr. Soumen Mukherjee
SSL, VIT, Vellore

Overview:
The Grandfather of children's comics' strips in India, Shri Narayan Debnath, who passed away on 18th January at the age of 97, was not only a cartoonist, but rather a social-reformer. The Padmashree awardee mesmerised generations Of children in Bengal and all over the world with his graphics and messages. Debnath's comic strips *Hando Bhondo, Bantul the Great and Nonte Phonte* were later translated into English from Bangla and it is successful in attracting the children Of other states and countries, too!

Discussion Points :

- There is a dearth of research works on Shri Debnath's illustrative works that may be undertaken by Faculty-members from Humanities stream and other domains working on 3D Hypergeometrics or graphical figures.
- Hence, the proposed FDP would attempt to bid adieu to Shri Debnath.
- It would also inspire the inquisitive minds to pursue their investigation on comic strips in general and that of Mr Debnath in particular.

29 January 2022
(Saturday)
10.00 AM to 1.00 PM
