About This Collection

The title asks is it hentai, and the gallery answers with screenshots plus videos you can watch. A konbini shoujo appears in the store clips, while the bishoujo cast of hyouryuuki returns for another episode. The doukyuusei remake adds promo frames, and hentai haven videos carry subtit text across episodes. Tags marked eroanime run through the episode1 scene for Kaede to Suzu. The dark village sits among the melty limit frames. View the full gallery via the link above.
