Vellore Institute of Technology
 (Deemed to be University under section 3 of UGC Act, 1956)
 Vellore - 632014, Tamilnadu, India

School of Electronics Engineering

3rd IEEE International Conference on Artificial Intelligence for Internet of Things

AIoT 2024

Keynote Address:
Usage of AI/ML in 5G Network

Shri. Ajay Lotan Thakur
 Cloud Software Architect
 Intel Corp., Canada

Hybrid Mode

03 - 04, May 2024

Shri. Ajay Lotan Thakur, a seasoned telecom professional from Pune, brings 19 years of industry expertise. He graduated from Pune University in 2002 and earned his Master's in Telecommunications from IISc Bangalore in 2004. Currently, Ajay serves as a Cloud Software Architect at Intel Corp Canada, specializing in Edge Platform solutions. Throughout his career, Ajay has excelled in various technology startups, showcasing his commitment to innovation. Actively engaged in the open-source community, he plays vital roles in projects like the Open Networking Foundation's Private 5G, serving on the Technical Steering Team and as an editorial team member at IEEE ComSoc Techblog. He also contributes to conferences, serving on committees for OW2's open-source events and engaging with academics and professionals on the Aether Private 5G project. Ajay has represented the open-source Private5G project on platforms like TelecomTV and at the Global 5G Evolution Conference, further solidifying his influence in the industry.
