About Vellore Institute of Technology (VIT)

Vellore Institute of Technology (VIT) was founded in 1984 as Vellore Engineering College by its founder and Chancellor, Dr. G. Viswanathan, former minister of Tamil Nadu and Member of Parliament. VIT campus is spread across a vast area of 372 acres in the city of Vellore, Tamil Nadu. VIT has been ranked by MHRD NIRF Ranking, Govt. of India 2023 as 8th Best in University category, 11th best in Research category, 11th best in Engineering domain and 17th best in Overall category. Moreover, it comes within 851 – 900 in the world ranking as per QS World University Ranking 2023. VIT has a strong international presence across the world and academic partnerships with over 440 foreign universities. VIT Group of Institutions offer 64 Undergraduate, 35 Postgraduate, 16 Integrated UG/PG programmes in addition to full-time Ph.D. programmes in the domain of Engineering, Sciences, Life sciences, Management, Social Sciences and languages.

School of Social Sciences and Languages (SSL)

The School of Social Sciences and Languages (SSL) was established as a distinct entity in 2009, constituting the departments of Commerce, Social Sciences, English and other Languages. The school offers Undergraduate (B.Com, B.Com in Banking and Capital Markets, Financial Technology, Business Process Services), Postgraduate (MSW), and Ph.D. programmes in Commerce, Economics, Tamil, English, Psychology, Sociology, Social Work, History, International Relations and Hindi. It is one of the most acclaimed schools of social sciences in India.

The prime focus of the school is to impart futuristic and supportive education to engineering and non-engineering students in subjects like Sociology, Psychology, Commerce, Economics, History, International Relations, Social Work, Music, Ethics & Values, Indian Constitution, English, Tamil, French, German, Chinese, Japanese, Italy, Spanish, and Hindi. The school maintains an outstanding record of awards for excellence in teaching within the VIT community and in the broader higher education context. It is equipped with state-of-the-art laboratories and a team of 134 regular 9 adjunct excellent faculty members with commendable research capabilities. 324 full time research scholars of the school are engaged in interdisciplinary research, collaborating with experts within and outside the university. The school is committed to providing a dynamic intellectual environment by fostering critical, reflective and conceptual thinking in students and aims to enrich their education by adopting unique approaches to learning.

Department of Commerce

The Department of Commerce is one of the four departments in the School of Social Sciences and Languages. With 27 Regular and 3 Adjunct committed faculty members with good academic and research expertise, the Department offers Ph.D. programmes and 4 specializations of B.Com Embedded with ACCA.

- B.Com (General)
- B.Com (Banking and Capital Markets) in association with NSE (National Stock Exchange) Academy.
- B.Com (Financial Technology) in association with NSE (National Stock Exchange) Academy.
- B.Com (Business Process Services) in association with Tata Consultancy Services (TCS). These programmes are structured in a way that caters to the needs of the future with concept like AI, ML and Analytics integrated into the core areas of the curriculum. Students are impeccably groomed with internships and specialized electives synchronising with the needs of the dynamic corporate world.

About the Workshop

In an era of increasing globalization, transparency, and stakeholder accountability, financial and non-financial reporting standards are undergoing significant transformation. This workshop aims to explore innovations in global reporting standards and how these developments are being interpreted, adapted, and implemented in the Indian regulatory and business environment. The workshop provides a comprehensive platform for academicians, practitioners, policymakers, and students to engage with the latest international trends in financial reporting, sustainability disclosures, integrated reporting, and ESG (Environmental, Social, and Governance) frameworks, while critically examining their relevance and applicability in India.
