Vellore Institute of Technology (VIT) was founded in 1984, as Vellore Engineering College (VEC) by Dr. G. Viswanathan, the Chancellor. VIT’s academic excellence has attracted students from all the states of the country and more than 53 countries. VIT has extensive international collaboration through more than 250 active MoUs with reputed Universities. Recently, Govt. of India recognizes VIT as an Institution of Eminence (IoE). FFCS (Fully flexible credit system), PBL (project based learning), fully digitized academic portals that provide students fist year education and plenty of opportunities for career growth. Since inception, the department of chemistry, has been maintaining quality in teaching and research, currently, 63 faculty members on its roll. It has been publishing more than 250 SCOPUS indexed publications in peer reviewed quality journals. It has expertise in many frontier areas of chemistry and is well equipped with all necessary equipment. The Department is DST-FIST recognized.

About VIT, Vellore

VIT is a World-Class University, University of Excellence. VIT has been accredited grade ‘A’ by National Assessment and Accreditation Council (NAAC). VIT is in the Top 100 Globally for the most innovative environment and in Top 100 Globally for the most collaborative environment. VIT is accredited by the National Board of Accreditation (NBA) and the National Assessment and Accreditation Council (NAAC). VIT is ISO-9001:2008 certified. VIT is a National E-Mentorship University.

The Vellore Institute of Technology (VIT) Library is the largest private-sector library in the country. The Library is a 24 X 7 user-friendly library. The largest in Asia the library contains over 800,000 volumes of books, periodicals, and other printed and non-printed material. The library has 65,000 students and 5,000 faculty members. The library has a seating capacity of 1500. The Library has been accredited with 4-star status by the UGC. VIT is a strategic partner of Springer, a major international publisher of scientific, technical, and medical content.

Registration Fee

Delegated (Industry)  Rs. 10,000/-
Delegated (Academic)  Rs. 6,000/-
Life member, CRSI  Rs. 4,000/-
Students  Rs. 2,000/-
Students (Life Members-Old)  Rs. O/#
Students (Life Members-New) Accompanying person  Rs. 3,000/-
Foreign Delegate  US $ 200

Important Dates

Last date for Registration & Fee Payment: Jan. 25, 2020
Last date for Abstract Submission: Dec. 31, 2019

14th CRSI-RSC Joint Symposium on February 06, 2020

The 26th CRSI National Symposium in Chemistry (CRSI-NSC-26) will be held in VIT Vellore during Feb. 7-9, 2020 under the auspices of the Chemical Research Society of India (CRSI). On behalf of the organizing committee, we cordially invite you to attend this prestigious symposium. The symposium includes medal lectures and poster presentations apart from special lectures by eminent chemists from India and abroad. The symposium aims to promote exchange of ideas and creates an opportunity for collaborative endeavors in frontier interdisciplinary areas. We look forward to your participation and presence in the symposium. In addition, a one-day CRSI-RSC joint symposium will be held on February 6, 2020 at VIT Vellore.
