2026

Director's Message

The month of February was marked by large-scale technical and cultural celebrations in VIT. The month was highlighted by Yantra, the week-long technical fest, followed by the much-awaited cultural fest, Riviera.

Yantra 2026 was conducted from 7th to 15th February and stood as the flagship technical fest of the semester. With a total prize pool of ₹10 lakh and more than 65 events organized across various domains, the fest brought together innovation, competition, and collaboration. Students participated in coding contests, robotics challenges, design competitions, technical workshops, and problem-solving events. The main highlight of Yantra was "Central Hack," a 48-hour hackathon. Teams worked continuously to develop real-world solutions, showcasing teamwork and innovation under pressure. Yantra created a platform for students to apply their knowledge practically and making it one of the most impactful technical events of the year.

Following Yantra, the campus shifted into celebration mode with Riviera, VIT's annual cultural fest, held from 28th February to 1st March 2026. Riviera brought together students to participate in various fun activities. Each night featured pro-shows with world-renowned artists who delivered high-energy performances. The fest celebrated music, dance, art, and unity, making it a memorable experience for all participants and attendees.

February also brought several proud achievements for VIT students in external competitions. Team Orcus from the RoboVITics Club secured Second Place in the 15 kg category at Titanium Robowars 2026, hosted by Rajalakshmi Engineering College, Chennai. Team Santri secured the position of 1st Runner-Up at E-Summit 2026 conducted by IIT Madras. Team Winnovators secured First Place in the Idea Pitching Competition at Confluence 2026 held at PSG College of Technology, Coimbatore. Team SANTRA secured First Place at the DR DEV Hackathon conducted at SRM Institute of Science and Technology. Team Meow secured Second Place at the IDC NEXUS Hackathon held at Annai Mira College of Engineering and Technology.

February 2026 also stood out for its wide participation and thematic diversity. Along with Yantra and Riviera, the month also observed World Radio Day and hosted IEEE WIE LauncHER 2.0 to promote women's leadership in engineering. In total, 250 events were organized across clubs and chapters, reflecting the vibrant culture of learning at VIT Vellore.

Art Rooms for Students!

Tired of being scolded for getting paint all over public property? Well, picture this!

The Office of Students' Welfare has introduced **art rooms** for student use! Whether it be creating props, making a poster, or sculpting a statue, your club or chapter can book a facility room for their requirements.

Contact the Office of Students' Welfare for more information.

Riviera 2026

Riviera 2026, the flagship sports and cultural fest of VIT, concluded on a spectacular note after four days of vibrant celebrations held from 26 February 2026 to 01 March 2026 at the Silver Jubilee Tower Ground. The fest commenced with its inaugural function on 26 February 2026 at 06:30 p.m., which was graced by Mithali Raj, and culminated with the valedictory function on 01 March 2026 at 06:30 p.m., graced by Genelia Deshmukh, marking the end of an unforgettable carnival. Enhancing the festive spirit were the much-anticipated pro-shows conducted in sequence, beginning on Day 1, 26 February 2026, with a high-energy performance by Sunidhi Chauhan, followed by an electrifying concert by S. Thaman on Day 2, 27 February 2026. Day 3, held on 28 February 2026, featured soulful performances by Pradeep Kumar and Benny Dayal, while the final day, 01 March 2026, concluded on a high note with dynamic sets by DJ Shaanand Ritviz. With an exciting lineup of events, premium competitions, distinguished guests, and stellar performances, Riviera 2026 stood as a resounding success, celebrating talent, culture, and campus spirit in its truest form.

Premium Events – Riviera 2026

The premium events of Riviera 2026 offered a curated mix of adrenaline, culture, creativity, and competitive spirit, drawing large audiences and enthusiastic participation across all four days of the fest.

1. Stunt Show

- Organized by SAE VIT, the Stunt Show was a high-octane professional motorcycle stunt exhibition featuring extreme freestyle maneuvers and precision riding. The event delivered an adrenaline-filled experience, keeping spectators on the edge of their seats throughout the showcase.
- Date & Time: 27 February 2026 | 11:00 AM – 04:30 PM

3. Unarv 4.0

- Conducted by the Malayalam Literary Association Thanima, Unarv 4.0 was a vibrant cultural celebration blending creativity, music, and shared artistic expression. The event went beyond conventional performances, offering an immersive and energetic cultural experience.
- Date & Time: 01 March 2026 | 09:00 AM – 02:00 PM

5. Thamizhi

- Organized by the Tamil Literary Association, Thamizhi celebrated Tamil identity through music, humor, art, and theatrical performances. The event emphasized cultural pride, respect, and enthusiastic participation.
- Date & Time: 28 February 2026 | 01:00 PM – 05:00 PM

7. Aikya

- Aikya was a cultural event held on 28 February 2026 during Riviera at VIT Vellore. It celebrated unity in diversity, where students showcased different Indian cultures through performances and traditional presentations. The event promoted cultural exchange and highlighted the diversity of the VIT student community.
- Date & Time: 28 February 2026 | 9:30 AM – 1:00 PM

2. Spartans Paintball Arena

- Hosted by VIT Spartans, this 5v5 paintball arena tested strategy, teamwork, and quick reflexes. With fast-paced rounds and intense combat zones, the event brought nonstop action and competitive excitement to Riviera 2026.
- Date & Time: 26–27 February 2026 | 09:00 AM – 05:00 PM

4. Chitram

- Presented by the Telugu Literary Association Sahiti, Chitram featured a series of five stage performances complemented by a guest act and a celebrity judge. The event stood out as a grand celebration of Telugu art, performance, and storytelling.
- Date & Time: 27 February 2026 | 01:00 PM – 05:00 PM

6. Kalaa 3.0

- Hosted by Anokha NGO, Kalaa 3.0 was a powerful cultural showcase highlighting performances by specially abled artists alongside a star guest performer. Through dance, music, and art, the event celebrated creativity, inclusivity, and expression without boundaries.
- Date & Time: 25 February 2026 | 12:00 PM – 06:00 PM

Major Events – YANTRA'26

Yantra'26, the annual technical fest of VIT Vellore, was conducted from 7th to 15th February 2026 with remarkable enthusiasm and participation. Centered around the theme "Leveraging Web3 for Social Responsibility," the fest aimed to inspire students to harness decentralized technologies and emerging digital innovations to create meaningful societal impact.

Spanning nine days, Yantra'26 featured more than 70 events across diverse technical domains. The fest comprised 25 Hackathons, 23 Technical Competitions, 19 Workshops, 2 Technical Talks, and 4 Special Events organized by the Office of Students' Welfare, creating a dynamic platform for innovation, collaboration, and experiential learning.

A notable milestone of Yantra'26 was the launch of a fully functional 3D interactive website, yantra.vit.ac.in, developed exclusively for the fest. For the first time in the history of VIT Vellore, a 3D web platform was created to promote events and provide students with an immersive and userfriendly interface to

access schedules, event details, registration information, and updates. This initiative aligned strongly with the Web3 theme and demonstrated innovation not only in the events conducted but also in the way the fest was presented and managed digitally.

One of the standout highlights was the Central Hack, which received an exceptional response for its scale, quality of problem statements, and innovative solutions presented by participants. Another significant initiative was the Proctor–Proctee Hackathon, which focused on solving campus-centric challenges through technology, aiming to enhance student life and improve institutional processes. Yantra'26 also marked several firsts. For the first time in its history, a Business Case Challenge was introduced, broadening the scope of the fest by integrating strategy, entrepreneurship, and technological innovation. The tech talk series featured NextEdge 1.0, a session on BioFab delivered by a distinguished VIT alumnus who is currently serving as a Professor at NIT Calicut.

YANTRA'26 - Central Hack

Yantra'26 Central Hack, the flagship 56-hour hackathon organized by the Office of Students' Welfare at VIT, was held from 13–15 February at Anna Auditorium. With a prize pool exceeding INR 6,00,000, the event brought together interdisciplinary teams to develop innovative solutions across tracks such as AGRI, BIOTECH, CHEMICAL, CIVIL, CS/IT, CYBER, ECE/EEE, FINTECH, MECHANICAL, and SUSTAINABILITY.

Registrations opened on 6 February, where teams of 3–5 members (including at least one female participant) submitted proposals through the Central Hack portal. After internal evaluation, shortlisted teams advanced to the offline hackathon starting on 13 February, where they built and refined their project

through multiple review rounds and mentor feedback sessions.

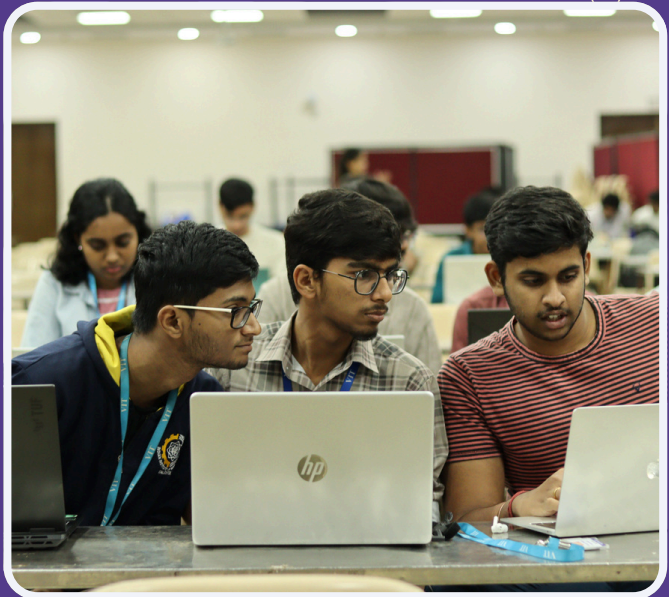

The event concluded on 15 February with the final jury evaluation and valedictory ceremony, celebrating innovative prototypes and impactful solutions developed during the intense 56-hour hackathon.

YANTRA'26 - SPECIAL EVENTS

PROCTOR-PROCTEE HACKATHON:

The Proctor–Proctee Hackathon, held on 7–8 February as part of Yantra – VIT's annual technical fest, brought together faculty mentors and students to collaboratively solve real-world and campus-related challenges. Teams worked across tracks such as Smart Campus, Sustainability, and Research Innovation, developing and presenting prototype solutions before a jury. The event fostered innovation, interdisciplinary thinking, and stronger faculty–student collaboration.

NEXTEDGE 1.0:

The technical talk on "3D Bioprinting and Scaffold Fabrication" on 13th February, was delivered by Dr. Gopal Shankar, Assistant Professor at NIT Calicut and VIT alumnus (Class of 2009). The session introduced students to the principles, materials, and applications of 3D bioprinting in tissue engineering and regenerative medicine. An interactive discussion followed, where students engaged with the speaker, making the session insightful and enriching.

BRAIN TO BAND:

The Brain to Brand event, organized by the Office of Students' Welfare as part of Yantra 2026 on 14th February, was a business case challenge where teams progressed through rounds to develop and pitch innovative business solutions to real-world problems. The event tested participants' strategic thinking, creativity, and entrepreneurial skills.

GLIMPSES OF YANTRA'26

Major Events

Rus Fest 2026: A Celebration of Russian Art and Culture

Rus Fest 2026 was organized on 8th February 2026 at Anna Auditorium, presenting a vibrant and captivating Russian Folk Dance Performance. The event showcased a rich blend of traditional and contemporary art forms, offering the audience a unique glimpse into the cultural heritage of the Russian Federation.

The programme featured an accomplished International Russian Folk Dance Troupe, whose performances brought together the elegance of classical ballet, the energy of folk traditions, and the creativity of modern dance styles. The event created an immersive cultural experience, leaving the audience enthralled.

A highlight of the evening was the performance of iconic Russian folk dances such as Kalinka and Barynya, presented with remarkable energy and precision.

Each performance was met with enthusiastic applause, reflecting the audience's appreciation for the talent and artistry on display. Rus Fest 2026 fostered cultural exchange and global appreciation, highlighting the richness and diversity of Russian culture while also building excitement for the upcoming Riviera fest.

The programme featured energetic Cossack dances, graceful ballet performances, and fusion acts inspired by jazz and flamenco, showcasing a blend of traditional and contemporary styles.

Major Events

Before the Screen : UI/UX Guest Talk

A UI/UX guest talk was held on February 20th by acclaimed designer and author Udaya Kumar Sivagurunathan. The session focused on core UX principles and their applications in design, business, and real-world problem-solving. Through interactive discussions and

practical examples, students gained insights into empathy, usability, and research-driven design.

The engaging session encouraged participants to think beyond interfaces and view UX as a holistic approach to creating meaningful solutions.

Overall, the event was a great success, leaving attendees inspired to apply UX thinking in their academic and professional journeys.

Major Events

NSS Special Camp

The NSS Special Camp was formally inaugurated at Salamanatham Panchayat by G. Viswanathan, Founder & Chancellor of Vellore Institute of Technology.

The week-long initiative mobilizes over 400 NSS volunteers from VIT across 13 villages in and around Kaniyambadi, focusing on impactful community engagement. The camp includes medical outreach programs, cybercrime

awareness sessions, and training for women in sustainable farming practices.

In his address, the Chancellor emphasized fair pricing for farmers, the importance of education as "imperishable wealth," and the national goal of increasing higher education enrollment to 75%, reinforcing the camp's broader social vision.

VIT CHAMPIONS

International Space Drone Challenge 2026 – Manipal Institute of Technology

We are delighted to share that Team RotorFPV secured First Place at the International Space Drone Challenge 2026, held at Manipal Institute of Technology, Manipal, from 28th January to 2nd February 2026. The team navigated through the competition consisting of manually piloted science and technology missions along with a business presentation, securing first place among 25 national and international teams and successfully defending their title once again. This victory highlights their exceptional engineering prowess, innovation in drone technology, and precision piloting.

Team Members:

- Saarika Rajen (23BCB0063)
- Priyanshu Saha (23BMM0054)
- Yash Khare (23BME0004)
- Anish Mohapatra (23BAI0067)
- Piyush Kumar (23BCI0115)
- Anushka Bharti (23BME0266)
- Diya Sicily Siju (23MIS0045)
- Aryan Arora (23BDS0320)
- Tarun Eashwar (23BML0094)
- Aadhyta Anand (23BME0222)
- Sarthak Khubchandani (24BCT0120)
- Ashutosh Sakhare (24BEC0140)
- Shivani Vinod (24BEC0357)
- Satya (24BEC0574)
- Utsav Anand (24BEE0006)
- Hriddhima Saraswat (24BEE0143)
- Monica Srinivas (24BME0305)
- Rohan Thomas Abraham (24BME0318)
- Devank Gupta (24BME0493)
- Srinivas R N L (24BME0553)
- S Gowribalan (24BME0679)
- Taher Saifuddine Haidri (24BME0706)
- Soham Mahesh Ghodake (24BME0491)
- Aradhya Mehrotra (24BMV0131)
- Ritik Jindal (24BYB0044)
- Parv Khare (24BME0680)
- Siddhant Nair (24BEC0321)

AIU ANVESHAN 2025–26 South Zonal Level – VIT-AP University

We are pleased to share that Team IMPACT (VIT Embedded Systems Team) secured First Runner-Up at the AIU ANVESHAN 2025–26 South Zonal Level Competition, held on 17th–18th December 2025 at VIT-AP University. The team presented their project titled "Intelligent Multizone Pressure Actuated Circuit Target", which stood out for its innovation, technical depth, and practical relevance. Based on the jury's evaluation, the project has also been selected to represent VIT at the AIU ANVESHAN International Convention, scheduled to be held at Shoolini University, Himachal Pradesh, on 24th and 25th February 2026.

Team Members (Team IMPACT):

- Sriganth C (23BEC0124)
- Dhakshana Bala S (23BEC0212)
- Joshith K (23BEC0188)

VIT CHAMPIONS

IDC NEXUS Hackathon – Annai Mira College of Engineering and Technology (AMCET)

We are pleased to share that Team Meow secured Second Place at the IDC NEXUS Hackathon, held offline at Annai Mira College of Engineering and Technology (AMCET) on 6th and 7th February 2026. The team was among 25 shortlisted teams selected for the final round and presented an indigenous military technology solution involving a swarm of quadruped robots for landmine identification and marking, integrating Machine Learning and Artificial Intelligence. The team demonstrated a working prototype and achieved recognition for their innovative and impactful solution.

Team Members:

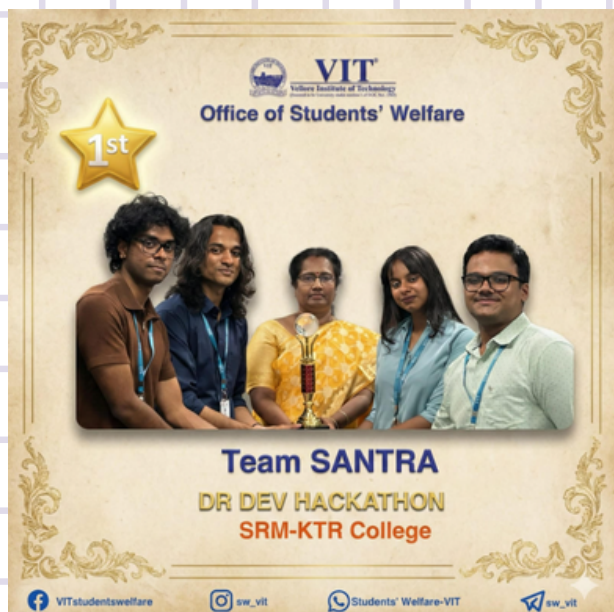

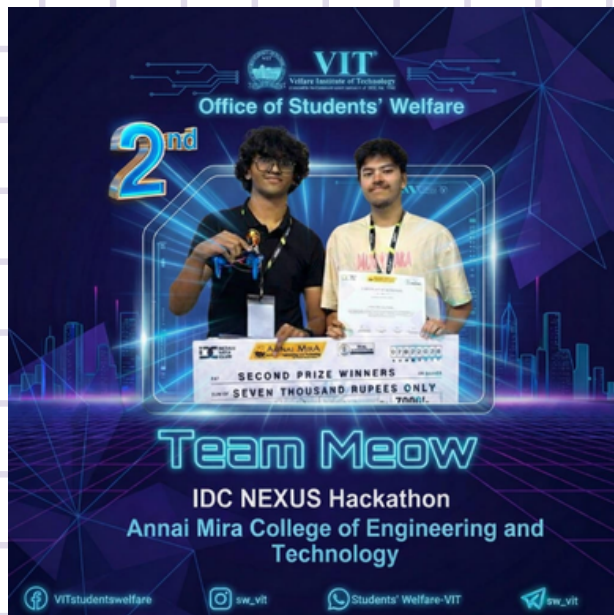

- Arka Saha (24BCE0938)
- Yash Jain (24BEL0035)

DR DEV Hackathon – SRM Institute of Science and Technology, Kattankulathur

We are pleased to share that Team SANTRA secured First Place at the DR DEV Hackathon, conducted at SRM Institute of Science and Technology, Kattankulathur (SRM-KTR) on 4th and 5th February 2026. Team SANTRA emerged as the winner after presenting a final 3-minute pitch supported by a working prototype and a dedicated website, achieving an impressive final score of 58.5 out of 60. The team presented "LATERAL X", an innovative fall-prevention and rehabilitation support device designed to assist patients facing balance-related challenges, offering significant potential in rehabilitation and assistive healthcare technologies.

Team Members:

- Rudrabha Dasgupta (24BBT0175)
- Neil Roy (24BBT0168)
- Prashanth Kumar (24BBT0158)
- Preyoshi Chakrabarti (24MSI0155)

VIT CHAMPIONS

Confluence 2026 – PSG College of Technology, Coimbatore

We are pleased to share that Team Winnovators secured First Place in the Idea Pitching Competition at The Confluence 2026 – Research, Innovation & Technology Summit, conducted by the Institution's Innovation Council (IIC), PSG College of Technology, on 6th February 2026. The inter-college summit featured innovations under the TRL 3–5 category, with participation from over 300 teams across institutions nationwide. The team presented their project TABM-100, which was recognized for its innovation, technical feasibility, and strong practical application potential, earning the team a cash prize of Rs. 30,000.

Team Members:

- Rithwik Ravi Kumar (24BCE2254)
- Parveshh Prabhu (24BEC0084)

E-Summit 2026 – IIT Madras (E-Thletics 2026)

We are delighted to share that Team Santri secured the position of 1st Runner-Up at the E-Summit 2026 conducted by IIT Madras. The team participated in the flagship entrepreneurship event, E-Thletics 2026, representing the institution among 50+ teams and over 250 participants from across the country. The competition comprised multiple rigorous rounds of pitching and strategic evaluation, where the team showcased exceptional innovation, strategic thinking, and entrepreneurial acumen.

Team Members:

- Mehul Arora (23BAI0044)
- Karan Jain (23BAI0177)
- Trishna Tanaya (23BIT0432)
- Riya Hebbar (23BEE0108)

VIT CHAMPIONS

Titanium Robowars 2026 – Rajalakshmi Engineering College, Chennai (RoboVITics Club)

We are proud to announce that Team Orcus from VIT RoboVITics Club secured Second Place in the 15 kg category at Titanium Robowars 2026, hosted by Rajalakshmi Engineering College, Chennai, from 13th to 14th February 2026. Competing against top teams from across the country, their combat robot Vulcan demonstrated exceptional engineering design, strategy, and resilience in the arena.

Team Members:

23BIT0142 – Arnav Mishra

23BEE0021 – Harsh Patel

24BCE0883 – Shivaansh Aggarwal

24BCE2406 – Deep Arjit Prasad

24BME0653 – Hitarth Sharma

24BVD0191 – Advay Gopalakrishnan

24BIT0290 – Dhruv Kamboj

EVENTS OF THE MONTH

WORLD RADIO DAY – Special Live Shows

Date: 13 February 2026

COMMUNITY RADIO CLUB

To mark World Radio Day, VIT Community Radio conducted special live broadcasts and interactive campus sessions where RJs engaged students in conversations about radio's history and relevance — celebrating the enduring power of audio storytelling and community broadcasting.

WIE LaunchHER 2.0

Date: 21 February 2026

IEEE WOMEN IN ENGINEERING (IEEE-WIE)

This international-level online orientation welcomed aspiring women technologists into the IEEE WIE community — introducing the chapter's mission, domains, and leadership opportunities while creating an inclusive space for women in engineering to connect and grow.

The Boiling Point

Date: 4 February 2026

INDIAN INSTITUTE OF CHEMICAL ENGINEERS (IICHE)

A national-level technical debate forum for chemical engineering students, The Boiling Point challenged teams to confront overlooked real-world engineering problems with structured argumentation and analytical precision under competitive conditions.

EVENTS OF THE MONTH

IEEE SSIT × Algo Academy AI & ML Workshop

Date: 5 February 2026

IEEE SOCIETY ON SOCIAL IMPLICATIONS OF TECHNOLOGY (IEEE-SSIT)

This national-level collaborative workshop offered a comprehensive introduction to AI and machine learning — emphasizing practical insights, industry relevance, and ethical considerations for participants ranging from curious beginners to committed tech enthusiasts.

An Interactive Robotics & Line Follower Boot Camp

Date: 16 February 2026

IEEE ROBOTICS & AUTOMATION SOCIETY (IEEE-RAS)

This national-level boot camp introduced IR sensor interfacing, motor driver logic, and robotics assembly — with complete kits provided. Participants progressed from circuit assembly to real-world debugging, building technical competence and engineering confidence.

EVENTS OF THE MONTH

Monthly Overview:

With 2 international-level events leading the way, February brought a globally engaged dimension to VIT Vellore's co-curricular calendar, complemented by 30 national-level engagements. Technical events led the month with 103 sessions spanning workshops, competitions, and seminars — equipping participants with skills across engineering, computing, and applied sciences.

February brought together a total of 140 events organised by the clubs and chapters of VIT Vellore. The distribution of events across categories reflects the holistic engagement of the student community.

Total Events Conducted: 140

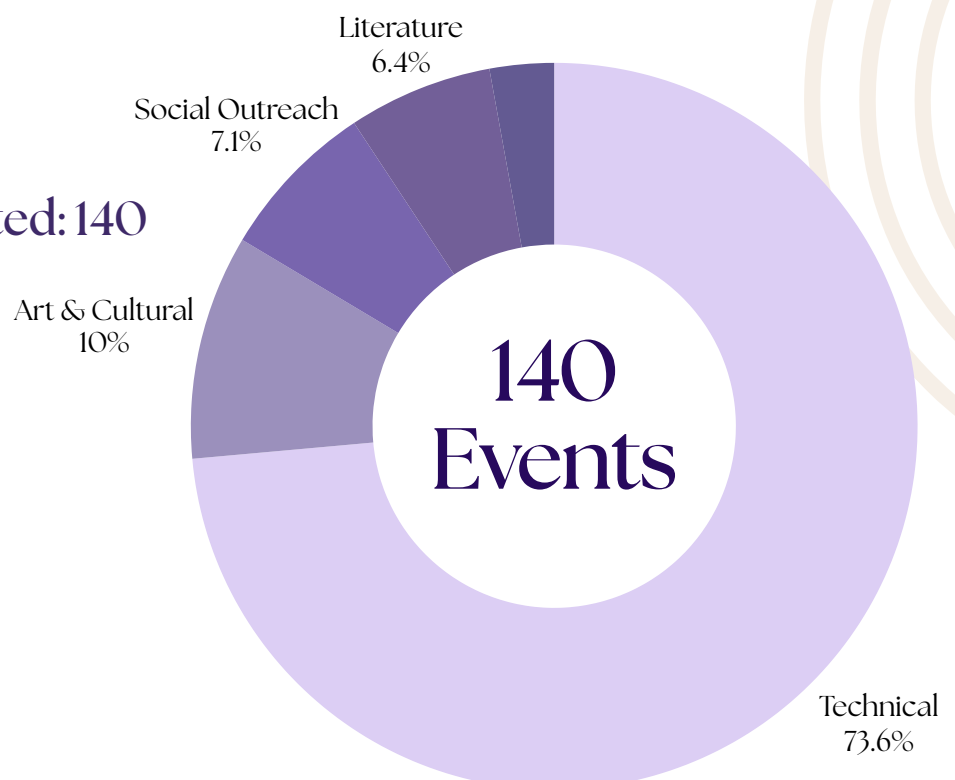

Technical: 103

Art & Cultural: 14

Social Outreach: 10

Literature: 9

Health & Wellness: 4

Outreach Events

Outreach : Bridging Generations

Date: 25 February 2026

**STUDENTS ASSOCIATION OF BIO-ENGINEERING SCIENCE
AND TECHNOLOGY (SABEST)**

SABEST organized an outreach visit to Vivekanandar Old Age Home on 25th February, promoting community engagement and social responsibility. Members interacted warmly with residents, gaining insights into empathy and communication. The visit concluded successfully, leaving a positive impact on both students and residents

TEACHING THE DEAF

Date: 11 February 2026

ROTARACT CLUB

The Rotaract Club went for an outreach visit to the Lutheran School for the Deaf on 11th February 2026, focusing on creativity and interactive learning. Students were engaged through drawing activities and sports, encouraging participation and self-expression. The session concluded on a positive note, creating a memorable and fulfilling experience for both volunteers and students.

- 

Around the world

NORTH AMERICA

Super Bowl LX in Santa Clara Super Bowl LX was held on February 8, 2021 at Levi Stadium in California. Besides the sports event, the event also served as a high-profile venue to advertise the recent futuristic products of Silicon Valley including an initial massive roll-out of autonomous shuttle fleets that conveyed over 70 000 attendants to the event.

EUROPE

IMilano Cortina 2026 Winter Olympics. On February in Milan and Cortina d Ampezzo the XXV Olympic Winter Games were introduced. The hosting policy of Italy, which implied the 90 percent occupation of the current or provisional facilities, has received critical attention of the IOC which has been seen as the first truly sustainable model of the future Olympic Games.

ASIA

India AI Impact Summit 2026 The India AI Impact Summit was a four-day international conference on AI in New Delhi between February 16 and 20 where a declaration on Inclusive AI was signed by representatives of more than thirty countries. The summit highlighted the importance of the need to have the AI advantages diffuse to the Global South and the importance of Human capital development and ethical democratization of resources.

MIDDLE EAST

Green Logistics Jeddah ePrix. Saudi Arabia held the Jeddah ePrix, a Formula E race, in mid-February. At the same time, the region has declared a new Green Logistics program program, the goal of which is to change 30 percent of the large-powerful transport fleets to electric or hydrogen engines by 2028.

AFRICA

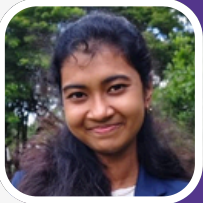

The 39th African Union Summit In Ethiopia, leaders met the annual African Union Summit on peace-keeping issues in the region and the Single African Air Transport Market (SAATM). The discussions were directed towards creating a more integrated airspace by Africans to make air travel more affordable and tourism in the continent a boost.

SOUTH AMERICA

Rio Carnival & The “Green” Samba Also in Rio de Janeiro, the globally famous Carnival peaked in mid-February, and Samba Schools this year paid much attention to the environmental issues. There were several big parades where costumes and floats were built completely of recycled Amazonian materials, thus, presenting Brazil as committed to forest protection.
