

January 2023

On Campus & Online FDP

S. No.	Date	Title of FDP
1.	04-Jan-2023 to 06-Jan-2023	MATHEMATICAL MODELING IN PHYSICAL SCIENCES & ENGINEERING
2.	11-Jan-2023	Energy and Environment-From cradle to grave- A discussion meet
3.	18-Jan-2023	Machine Learning Systems (On Campus)
4.	18-Jan-2023 to 20-Jan-2023	Recent Development and Challenges in RF and Microwave Communication
5.	18-Jan-2023 to 20-Jan-2023	Opti-PDE: Optimization and Partial Differential Equation - An Avenue to a New Dimension
6.	19-Jan-2023	LATEX for CIVIL and CHEMICAL Engineers (On Campus)
7.	23-Jan-2023	Advancements in Microwave and Photonics for Next Generation Communication Systems
8.	23-Jan-2023 to 24-Jan-2023	Demystifying Industrial Robots in I4.0
9.	24-Jan-2023	Blockchain on research perspective
10	27-Jan-2023	An insight on Research tools for budding researchers
11	27-Jan-2023	Historical View of Indian Knowledge Systems (On Campus)
12	30-Jan-2023 to 10-Feb-2023	The Essence of Density Functional Theory (DFT) for Materials Modelling. (On Campus)
