## Interfacial Interaction of Chemistry and Biology

### Resource Persons :

**Dr Subrata Kundu**, Indian Institute of Science Education and Research (IISER)  
Thiruvananthapuram.

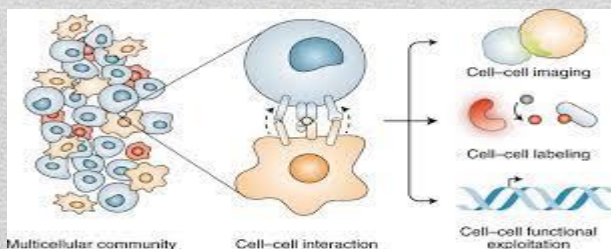

**Prof Tapan Kanti Paine**, Indian Association for the Cultivation of Science,  
Kolkata.

**Dr Gouriprasanna Roy**, IIT, Tirupati

**Prof Manas Santra**, ational Center for Cell Science, Pune.

### Discussion Points :

- ✓ This FDP provides valuable insights into the modern research trends in the application of chemistry in biology and bio-mimetic catalysis
