VIT - Creating Global Leaders

ABOUT VIT *Business School*

VIT Business School (VITBS) is a Premier Business School that adapts to cater to the evolving needs of the industry by providing resolute and innovative curriculum to the BBA /MBA / Ph. D graduates. VITBS, focuses on developing thought leaders, who are innovative, socially sensitive, ethically strong and globally competitive. We lay emphasis on fundamental business courses incorporating advanced and contemporary knowledge with a global mindset. At the same time, we nurture students to be sensitive to local and regional business dynamics. We employ the latest technology to deliver knowledge that enhances our teaching learning process and also complement it through collaborative research with reputed Universities abroad and the industry. Industry relevant curricula that impart finest skills which include: critical thinking, data crunching and analytical ability, crisis management, intelligent data driven decisions, business insights and best practices, cross-cultural management, team work, diversity management and many more to suit the current Industry requirements.

Apart from building students' IQ (Intelligence Quotient), VITBS concentrates on EQ (Emotional Quotient). The School's graduates are coached to be people-friendly managers, with an emphasis on team work and business ethics. The campuses at both Chennai and Vellore have the most modern facilities to groom the future industry leaders. While we emphasize on incorporating world-class knowledge delivery methods that are technology enabled, we equally emphasize on knowledge creation through collaborative research with international researches and Indian Industry.

MISSION

“To develop innovative, globally competitive and socially responsible leaders”.

VALUES & BELIEFS

- We promote a ‘learning to learn’ culture that provides life-long support in an ever-changing business environment.
- We believe in holistic personality development, which lays a great degree of emphasis on the need for ethical behavior and integrity in business dealings.
- We instill social sensitivity students and provide a platform for dissemination of scientific management principles for developmental activities.
- We offer management education that provides global perspectives in the Indian context.

KEY OFFICIALS SPEAK

Dr. G Viswanathan
Chancellor, VIT

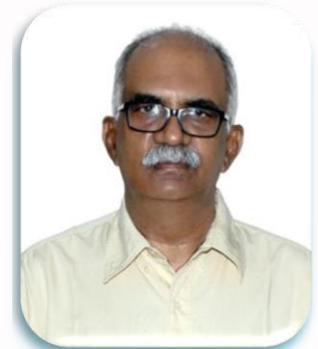

Over the last 25 years, VITBS has delivered transformative learning experience in Business Studies to its incumbents. Our MBA program infuses strong business principles with deep insights; and practices applied learning pedagogy. Rigorous and industry-relevant curriculum, active collaboration with Foreign Universities, Industrial Collaborators and Society prepares MBA graduates of VITBS to lead business beyond the boundaries, as Leaders. I am happy to realize that VITBS provides greater breadth, depth in its curriculum and caters permeability of analytic minds. These ingrains in our MBA graduates to ask the right questions that are reined, nurtured and espoused with values and organizational philosophies, to make right decisions. MBA Program is well-facilitated with best infrastructure, faculty members and learning environment. Over the 24 months, you will learn the dynamics of business in a broad range of sectors, with global exposure, from distinguished faculty members with strong domain expertise in their fields. The Program is bundled with the options of overseas study trips, foreign exchange programs at premier Universities.

I see that our VITBS alumnus are among some of the best intellectually curious, creative and imaginative professionals who are placed as Business leaders with reputed organizations, corporate houses, Universities of repute across the globe. Considerable numbers of them are also successful entrepreneurs.

I welcome you to apply for the Program and wish you the best!

India's gross domestic product (GDP) at current prices stood at Rs. 51.23 lakh crore (US\$ 694.93 billion) in the first quarter of FY22, as per the provisional estimates of gross domestic product for the first quarter of 2021-22. India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships, where there is a demand for managers and business leaders who can place Indian businesses to lead the world economy, or those who can drive global businesses to succeed in India. VITBS prepares its graduates not only for these roles, but also to work and succeed across the globe by giving them the crucial edge coupled with innovation and Business ethics.

I am immensely happy to understand that VITBS is moving ahead to meet the challenges of the 21st Century. The school places importance and takes pride in its digital infrastructure, and innovative pedagogy that enhances critical, analytical and entrepreneurial skills. I wish all of you who read this will get into VITBS and become a Global Leader. VITBS has come a long way in the past 25 plus years. Our twenty-five plus years of experience in delivering dynamic, engaging and comprehensive knowledge practices have helped to develop transformational leaders, successful entrepreneurs and modern-day managers who could handle complex organizational and community challenges. VITBS is accredited by AACSB, USA & ACBSP, USA and also holds reputable positions in national rankings. It has International and National accreditations, strong domain expertise of faculty members, fully digitized eco-system, world-class infrastructure, cross cultural learning environment, emulated corporate work environment.

Prof. Rambabu Kodali
Vice Chancellor, VIT

Dr. K. Ganesan
Chairperson, VITBS

The faculty, staff and students at VITBS, Vellore extend their warm welcome to the aspirants who are planning to pursue their higher studies at VITBS. As the Chairperson of VITBS I am proud to say that Vellore Institute of Technology is one of the best private Institutes in the country at present. VIT is known for quality education. The track record of placements at VIT is notable. Many of VITBS Alumni hold notable leadership positions in abroad and in Indian companies. VITBS regularly updates its curriculum as per the needs of the Industry. The VITBS students are trained on emerging technologies through regular workshops and Industry Guest Lectures. A good number of Professional Professors of Practice are teaching state of art technologies. A number of subjects related to International Business are also taught by many Foreign Professors. Students are trained in conducting many events to learn the managerial skill and students taken to various Industries and they take up social services as part of their academic pedagogy. The students can carry out many live projects as part of their course.

We have a highly cosmopolitan culture at VIT. We have students from many countries and all states of India. Thus our VITBS students will be exposed to a cross-cultural environment. A large number of students are regularly going to abroad. Thus VITBS will nurture the students as an all rounded personality.

A hearty welcome to our VITBS MBA Program.

Since 1994, VITBS is providing experiential business education. The mission of VITBS is “to develop innovative, globally competitive and socially responsible leaders”. Our MBA program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP). We have recently earned the coveted Association to Advance Collegiate Schools of Business (AACSB) accreditation, placing us in the top five percent of business schools around the world. Our faculty members are excellent in teaching and research, and are committed to prepare students to lead and manage in this technology-intensive global environment. In addition to learning from faculty, the students also get opportunity to interact with industry specialists and alumni; it helps in enhancing their understanding about various business concepts and problems. VITBS boasts of a strong alumni network with alumni working in diverse fields ranging from Corporate houses to Social entrepreneurship. VITBS has a proven track record of campus placement. The number of companies that visit the campus to recruit our graduates, the highest and the average salary offered are increasing each year.

Hearty welcome to the Prospective MBA Students of 2021-23 batch! Join us and experience all that VITBS has to offer!

**Dean, VITBS,
Vellore Campus**

VITBEE 2022 - Information Brochure

Dr. S.K. Sudarsanam
Dean, VITBS,
Chennai Campus

As Dean of VITBS Chennai, I'm extremely proud of the rich tradition of providing practical, industry-ready and experience-based business education that our Business School has upheld since its inception. VITBS is a Premier Business School that adapts to cater to the evolving needs of the industry by providing an innovative curriculum to the MBA Students. VITBS focuses on developing thought leaders who are innovative, socially sensitive, ethically strong and globally competitive. With ever increasing pace of reduction in cycle time between knowledge acquisition and knowledge obsolescence, a Management Student need to constantly update his managerial skills and domain knowledge. VITBS Chennai has a right mix of faculty with academics and industry experience who can help the MBA graduates provide the foundation needed to achieve their career goals and progression. During your time in the VITBS MBA program you would develop unique skills such as decision making skills, problem solving and analytical skills, critical thinking, effective communication and emotional intelligence to remain flexible and focused within the Complex Business Environment. Our business programs prepare our students to become leaders with the moral depth and intellectual intensity necessary to meet the challenges faced in the ever changing business environment of the 21st Century. Welcome to the VITBS MBA Program!

VIT Business School of VIT Bhopal University commenced operations in the year 2017 with BBA program as part of its portfolio. Since then the VIT Business School has grown from strength to strength. We have 100 percent doctoral faculty and the method of pedagogy followed is Collaborative and Active Learning through Technology (CALTech). In VIT Bhopal we have the Fully Flexible Credit System in which the students can choose the courses that they want to take and also the instructors and the timing of the lectures. Our classes are organized in studio format encouraging peer learning and active team work. VIT Business School focuses a lot on creating managers with the right attitude. Our aim is to produce world class management executives with an ethical bent of mind. The curriculum envisages exposure to the real-world nuances by bringing illustrious management practitioners to the class room. They share their professional insights with our students which help them to imbibe the necessities essential for success in the real world. Communication is an essential ingredient for success in business and we at VIT Business School make all efforts to enhance effective communication skills of our students. The placement team leaves no stones unturned to ensure that the marquee companies of the corporate world visit our campus and recruit our budding managers. VIT Business School actively seeks to keep its curriculum and syllabi Up To Date by including cutting edge areas like analytics and data science. There is an emphasis on the all-round development of our students by having vibrant co-curricular activities in the form of myriad student clubs functioning in our campus.

We welcome all the prospective students and wish them happy learning and a satisfying professional life in the years to come. All the best.

Dr. Ashish Tripathi
Dean, VITBS,
VIT-Bhopal Campus

Dr. Vasumathi A,
Associate Dean,
VITBS

I'm extremely proud of the rich tradition of providing practical, experience-based business education that our VITBS has upheld since its founding. Our business programs prepare our students to become global leaders with the moral depth and intellectual intensity necessary to meet the challenges of a time of critical transition in society. VITBS provides unique opportunities for our students to engage with companies and communities. As thought leaders in their industry, the knowledge and research contributions of our faculty continue to drive change both at the university and across the globe. VITBS facilitate you in building competence. Confidence, knowledge and skills will make you as a successful global leader.

I would like to cordially invite all of you who are interested in expanding your knowledge and enriching your careers to explore our school further either online or through a visit to campus.

VITBS provides a well-balanced mix of academic and practical business oriented content. The updated curriculum with its wide range of teaching materials, databases like CMIE-Prowess, Harvard Business Publishing and Emerald access case studies, CESIM Simulations, Industrial guest lectures on Contemporary issues and other tools aim at enhancing the understanding of the business reality and also imbibing problem-solving skills. Business School embed a flavour of theoretical rigour blended with critical thinking across all our programs like BBA, MBA and Ph.D. This imparts in our students a strong foundation in business fundamentals, with the ability to apply this learning across the spectrum of real business scenarios. The school has been accredited with AACSB and ACBSP global accreditations and is having good placements. To fulfil our VITBS mission statement, we want to create innovators, entrepreneurs and corporate social responsible managers who can successfully navigate digital economy platforms to introduce tomorrow's vision into action today. So, if you have the will and desire to succeed, we will guide you the path.

Dr. Rajesh Mamila
HOD, MBA, VITBS
