

Cordially invites you to

Online FDP

Coordinator : Prof. Vinoth Babu K, Prof. Hariharan S, Prof. Mugelan R K

Introduction to Machine Learning for Future Wireless Communication

Discussion Points :

- ML-aided signal processing algorithms for wireless channel estimation
- Detection
- Beamforming and channel coding etc

Resource Person :

Dr P Sudharsan
Assistant Professor,
Department of Electronics and Communication Engineering,
NIT , Trichy

12 October 2022
(Wednesday)
11:00 AM - 1:00 PM
