

Cordially invites you to

Coordinator : Prof. Muthu raja S, Prof. Mohana Roopan S

Online FDP

Nanowire Optoelectronic Devices And Gas Sensors

Discussion Points :

- ❖ Overview on semiconductor nanowire synthesis and characterization
- ❖ Selective nanowires for optoelectronics and gas sensor applications
- ❖ Research opportunities with research school of Physics, ANU

Resource Person :

Dr Lan Fu

Professor and Head of the department,
Dept. Electronic Materials Engineering,
Research school of physics University,
Australian National University,
Canberra,
Australia.

05 October 2022
(Wednesday)
10:00 AM - 1:00 PM
