Cordially invites you to

3 Days FDP (10.00 AM - 5.00 PM)

Faculty Coordinator : Dr. Sanghasri Mukhopadhyay, Dr. Debaroti Das

Opti-PDE: Optimization and Partial Differential Equation - An Avenue to a New Dimension

Resource Persons :

Prof. Satyajit, IIT Madras, Chennai,

Prof. A K Nandakumaran, Indian Institute of Science, Bangalore.

Dr Ajit Kumar, Institute of Chemical Technology, Mumbai.

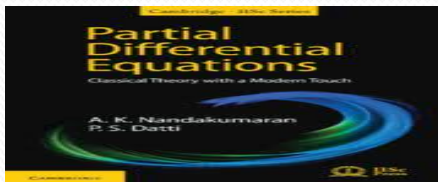

Prof. Debjani Chakraborty, IIT Kharagpur.

Dr Apu Kumar Saha, NIT Agartala.

Dr P K DE, NIT Silchar

Discussion Points :

- ❖ Partial Differential Equation
- ❖ Stability and Convergence
- ❖ Optimization techniques
- ❖ Differential Evolution
- ❖ Large scale optimization problem
- ❖ Image segmentation
- ❖ Fuzzy decision making
- ❖ Optimal control
- ❖ Inventory model Optimization
