Vellore - 632 014 Tamilnadu, India.

PUBLIC DISCLOSURE

2026-2027

A. About HEI/University

- **About us: Overview**

  VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research spur us on in our relentless pursuit of excellence. In fact, it has become a way of life for us. The highly motivated youngsters on the campus are a constant source of pride. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty and encourage joint research projects for the mutual benefit of these universities. Many of our students, who pursue their research projects in foreign universities, bring high quality to their work and esteem to India and have done us proud. With steady steps, we continue our march forward. We look forward to meeting you here at VIT.

No.F.1-1/2023 (CPP-I/DU)

Dated: 1 AUG 2025 Aug, 2025

The Registrar,
Vellore Institute of Technology,
Vellore –632 014,
Tamilnadu.

Sub: Proposals for inclusion in the list of Deemed to be Universities under Section 12 B of the UGC Act, 1956.

Sir,

This has reference to your application submitted for inclusion under section 12B of UGC Act 1956. The Commission in its 592ND meeting held on 23.07.2025 considered the application and decided to grant 12B status to **Vellore Institute of Technology, Vellore – 632 014, Tamilnadu.**

Accordingly, the **Vellore Institute of Technology, Vellore –632 014, Tamilnadu** is included under section 12B of the UGC Act 1956 and is declared fit to receive central assistance. The status is subject to the condition that the financial assistance under all UGC schemes shall be limited to those relating to teachers and students only.

Yours faithfully,

(Monika)
Deputy Secretary

- **Internal Quality Assurance Cell**

  The Internal Quality Assurance Cell (IQAC) was established in 2007 at Vellore Institute of Technology (VIT) as a post-accreditation quality sustenance measure. The IQAC has been constituted as per the recommendations of the National Assessment and Accreditation Council (NAAC). The IQAC ensures the effective implementation of quality initiatives through continuous reviews and periodic meetings. The IQAC works towards attaining excellence in all academic and administrative endeavors of the institution.

- **Library: Basic Information at a glance**

  VIT Central library spreads over an area of 7770sq m with six floors (Excluding ground floor). It has specialized collections of books, journals & other resources in Mathematics & Sciences, Engineering and Technology, Biotechnology, Humanities, Social Sciences and Management ranging from printed books, e-books, back volumes and CDs\DVDs. The Central Library subscribes to national and international journals in print and eJournals. The library has a video conferencing facility and NPTEL video courses, ePathashala, Swayam Programme and other E-Learning resources initiated by the Government of India. Central Library is using Koha software for Library automation and has implemented RFID technology with

self-issue and return kiosk, WEB-OPAC (Online Public Access Catalogue), and online renewal facility.

- **Academic Collaborations**

  With over 500+ international MoUs across the globe, Vellore Institute of Technology has a strong international presence abroad. The International Relations office of Vellore Institute of Technology with institutes and universities all over the world helps the students to explore diverse environments and various cultures across the world. International Relations team help the institute to connect students and faculty with peers many foreign institutions abroad. The international partner universities are spread in various countries throughout the world – USA, Canada, UK, Australia, Asia-Pacific, Europe, Middle East, Africa and South America.

  VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe.

  Experienced and learned faculty members are strongly encouraged to nurture the students. The global standards set at VIT in the field of learning and research spurs VIT in its relentless pursuit of excellence. In fact, it has become a way of life for us. The

highly motivated youngsters on the campus are a constant source of pride. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty and encourage joint research projects for the mutual benefit of these universities.

To cater to the growing demand for quality education, VIT with its two existing campuses at Vellore and Chennai, has opened two more campuses. The new campuses are located at Amaravati in Andhra Pradesh and at Bhopal in Madhya Pradesh.

Campus Life

VIT prides itself in its ability to provide an education that is not only coveted by many within india but abroad as well. Proof of this is seen in the increasing number of international students pursuing their higher education at VIT University. VIT also has over 300+ MoUs with foreign universities. These tie ups along with the university's ABET accreditation ensures that all of our students have the opportunity to experience a truly global education. Attractive scholarships are also provided to deserving candidates.

VIT offers 64 Undergraduate, 35 Postgraduate, 16 Integrated Programmes, 2 Research programmes and 2 M. Tech. Industrial Programmes. In addition to full-time Ph.D Degrees in Engineering and Management Disciplines, Ph.D. in Science and Languages and Integrated Ph.D. programmes in engineering disciplines. Research Centres, integral of respective schools encourage inter-departmental collaborative participation of students in exciting research projects. A student admitted should register in one of the schools depending on the degree/ programme selected to pursue.

E. Research

➢ **Research and Development Cell**

A reputation for excellence in research supported by a high calibre staff is reflected in the demand for entry to Vellore Institute of Technology's programmes from high achieving students. Committed to excellence in fundamental research as well as the development of innovative technologies for the future, VIT offers a quality research training experience for its students. The Institute maintains its relevance to world-class research by linking with industry and business through local and international research networks.

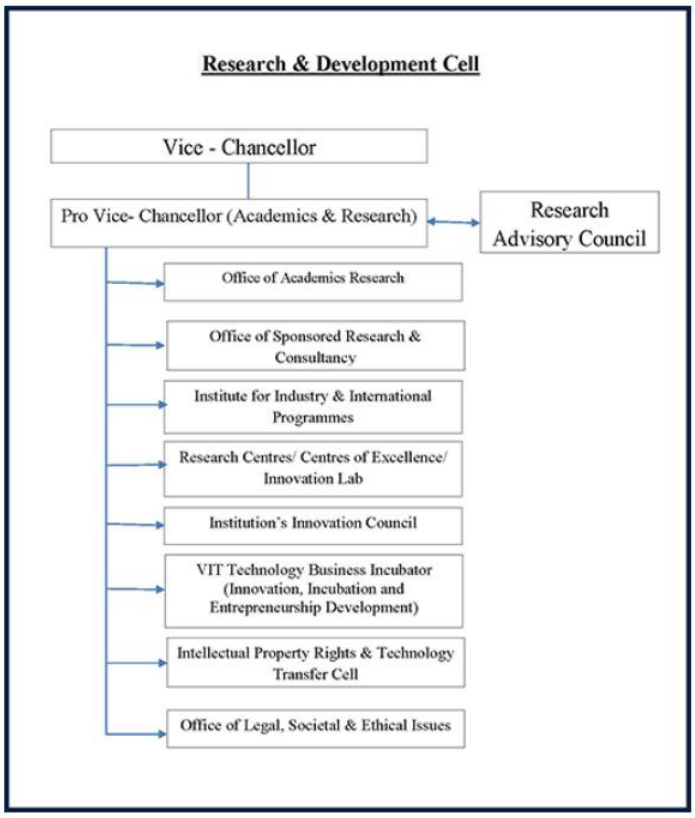

Within a short time of becoming a University in 2001, VIT has risen to the expectations of Government organizations, research institutes, mission-critical organizations like Defence establishments, the Indian Space Research Organization (ISRO) and Atomic Research Centres. It has secured sponsorship for 50 research projects to the tune of Rs 100 million. VIT also offers consultancy services worth more than Rs 2.2 million to the Defence Research and Development Laboratory.

- VIT has always been a research –oriented and innovation driven university. This stems from VIT's firm belief in creative thinking. Henceforth, Research Centres are also made a part of schools to give an opportunity to students to participate in exciting research projects.
- Automotive Research Centre(ARC)
- Centre for Functional Materials(CFM)
- Centre for NanoBiotechnology (CNBT)
- CO2 Research and Green Technologies Centre
- Centre for Biomaterials, Cellular and Molecular Theranostics (CBCMT)
- Centre for Net Zero Technologies (CNET)
- Centre for Clean Environment (CCE)
- Centre for Innovative Manufacturing Research (CIMR)
- Centre for Nanotechnology Research (CNR)
- Centre for Bio Separation Technology (CBST)
- Centre for Disaster Mitigation & Management (CDMM)
- Centre for Artificial Intelligence Research (C-FAIR)
- VIT - Semiconductor Prototyping, Assembly, Characterization & Engineering Centre (V-SPACE)

- **Publications**

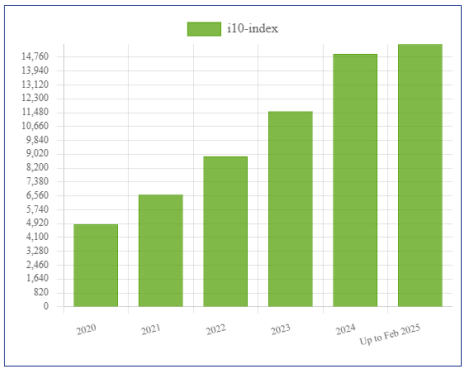

Inculcation of Research Culture at grassroots level is the most distinctive character of VIT. VIT has been committed to research by treating it as the epicenter of growth and development in all directions. Such an approach has always been driven by the farsightedness of a robust research culture that is imperative for building an ideal society which aims at development of the people and the country in its entirety. This would in turn, mean that research culture is fundamental to the growth of a society, as it would groom a potential and knowledgeable population with high sense of rationality and utmost commitment to society.

- **Foreign Collaboration**

  With over 500+ international MoUs across the globe, Vellore Institute of Technology has a strong international presence abroad. The International Relations office of Vellore Institute of Technology with institutes and universities all over the world helps the students to explore diverse environments and various cultures across the world. International Relations team help the institute to connect students and faculty with peers many foreign institutions abroad. The international partner universities are spread in various countries throughout the world – USA, Canada, UK,Australia, Asia-Pacific, Europe, Middle East, Africa, and South America. https://vit.ac.in/internationalrelations/partneruniversities

- **Industry Collaboration**

  - The inclusion of 8th-Module - Industry
  - Guest Lecture- in all the courses has led to strong interactions between the institute and industry.
  - From the Technical Answers for Real word Problems (TARP) course, the students are able to apply their subject knowledge into real-world problems of the industry.
  - The project-based internships is a good learning process which brings new perspectives and is up to date with the industry trends.
  - More than 15 industry-sponsored labs help the students to learn the concepts practically through interaction and working methods.
  - Regular industry conclave meetings in every school are further strengthening our interactions with industry and its technology road maps.
  - Periodic industry visits help students to update their understanding of the subject and the industry practices in each domain.
  - Preparing and inspiring student minds (PRISM) is an innovative project experience organized in collaboration with Samsung.

- Industries like Honeywell, JCI, Microsoft, Texas instruments innovation challenge, Makeathon, Codeathon, Buildathon and Hackathon activities are regularly conducted in VIT to address real world problems faced by the industry.
- Industry practitioners and standards organizations conduct codes and standards concept to our students every year.
- Industry mentors help our students through various entrepreneurship camps
- Innovative project collaboration between industry and VIT is done through cooperative knowledge creation and exchange.

- **Hostel**

  A home away from home, the hostels at VIT is more than four walls and a roof. They have been designed to provide a comfortable, safe, inclusive and secure living even as they provide opportunities to form lasting friendships and ease the transition from home to college. Residential staff is always available to support the students from different backgrounds to promote community. Living on campus provides students with opportunities to:

  Connect with a diverse population of people

  - Develop stronger interpersonal and communication skills

- Engage in campus leadership, organizations and activities
- Establish relationships with faculty and staff members
- Hostel review committee meetings are conducted once in 15 days by the hostel administrators to address students' queries and requirements, and to keep them updated on upgradation of services and events. Students are also given the privilege of giving suggestions to improve the hostel facilities. https://vit.ac.in/campuslife/hostels

- **Student Grievance Redressal Committee (SGRC)**

  The Institutional Students' Grievance Redressal (ISGR) Committee desires to promote and maintain a conducive and unbiased environment for students on campus. The committee attends to the grievances and complaints registered by the students and ensures an effective solution using fair approach. The ISGR enables the students to express their grievances by initiating and following the grievance procedure in accordance with the rules and regulations of VIT.

  Objectives

  1. To attend and resolve grievances of the students and other stakeholders within the framework of the institute's policies, rules and regulations.

  2. Provide effective solutions to the students' grievance with an unbiased and fair approach. The committee shall follow the principles of natural justice while deciding the grievances.

  3. To identify the reason for students' dissatisfaction and take corrective measures.

  4. To enlighten the students on their duties and responsibilities.

  Procedures:

  The Grievance and Redressal Cell shall receive and redress the following grievances:

  • Academic issues pertaining to teaching, learning and evaluation activities.

  • Student-teacher, student-student grievances.

  • Grievances related to library and IT services.

  • Grievances related to sports, culture, etc.

  • Grievances related to behavior of students on campus.

  Email: gms@vit.ac.in

  Students may contact the following committee in case of any grievance:

Sl.No	Name	Composition
1	Dr. G. Murugusundaramoorthy, Professor, SAS Mobile No.: 9443565636 Email: gms@vit.ac.in	Chairman
