About VIT

Dr. APJ Abdul Kalam was right in saying, "Dreams transform into thoughts and thoughts result in action" because Vellore Institute of Technology (VIT) is a dream of Dr.G. Viswanathan (Chancellor, VIT) come true. Founded in 1984 as Vellore Engineering College, it has grown by leaps and bounds to attain its present status as VIT, one of the premier institutions in India.

Our strengths in a nutshell:

More than 67,000+ students from all quarters of India and also from 54 different countries across the globe. 1900+ fully-qualified and highly experienced faculty and 230 adjunct professors from foreign universities. 450+ MoUs with academic and research institutions in India and abroad. 1000 industry partners Highest number of research publications in India as per the Scopus Database (2016-2026).

An Overview of Academics at VIT:

- A healthy culture of diversity and inclusivity on-campus.
- Focus on teacher and learner autonomy and wellbeing.
- Emphasis on multidisciplinary and transdisciplinary approaches to learning and research.
- CBCS (Choice Based Credit System), and PBL (Project Based Learning) for better learning Fully digitized academic portals to facilitate effective employability skills.
- Hackathons / Makeathons aimed at honing problem solving skills.
- 8th module of every subject handled by industry experts, to enable contextualization of concepts learned in the classroom.
