Electrical Maintenance

Estates Office

VIT University

Vellore – 14

Dear sir,

As per the decision taken in the Energy saving committee of VIT University, the following instructions shall be followed in all electrical maintenance activities.

- All florescent tube lights, PL lamps are to be replaced only with LED lights in academic and hostel areas.
- Use that old bulbs for maintenance purpose, and for the other fittings, when it is not working, change with LED
- All new connections are to be provided with only LED lights.
