# DIRECTOR'S MESSAGE

October at VIT was a month of milestones, innovation, and heartfelt celebrations. It was a time to embrace leadership, envision the future, and cherish the joy of togetherness with our vibrant community.

The Student Council Inauguration marked a significant highlight of the month, as we welcomed new student leaders who are brimming with energy and innovative ideas, and are all set to revolutionize campus life. The inauguration ceremony not only spotlighted the essence of leadership and responsibility but also ignited a collective drive among students to unite for a brighter, promising future.

On 12th October, the Viksit Bharat @ 2047: Voice of Youth Seminar brought together forward-thinking individuals to discuss and deliberate on India's path to becoming a developed nation by 2047. Students and experts shared innovative ideas and actionable insights, fostering a spirit of optimism and progress. The seminar highlighted the crucial role of youth in shaping the nation's destiny.

As part of the Systematic Voters' Education and Electoral Participation (SVEEP) initiative, the campus hosted a Wall Magazine and Essay Competition to promote awareness about voting rights and responsibilities. The creative contributions reflected the students' understanding of democracy and their commitment to being informed citizens.

Adding to an artistic touch, the Cellphone Photography Contest encouraged participants to capture moments of life, nature, and culture through their lenses. The contest brought out stunning visuals that highlighted the incredible creativity of our student community. October concluded on a joyous note with Diwali Celebrations, where students and staff came together to celebrate the festival of lights. The vibrant atmosphere on campus, filled with laughter and camaraderie, reminded us of the importance of cherishing moments with family and friends.

From thought-provoking discussions to festive cheer, October showcased the diversity and dynamism that define life at VIT. It was a month of growth, creativity, and community spirit, setting the stage for more achievements in the months to come.

# STUDENT COUNCIL INAUGURATION

**The Student Council plays a pivotal role in representing the aspirations of the students on campus. Working in collaboration with the management, the Council strives to enhance student life and address concerns, ensuring a dynamic and inclusive environment at VIT.**

**Breaking boundaries and setting new standards, this year's Student Council is the epitome of diversity and representation. For the first time ever, we've expanded to a powerhouse of 120 members, up from just 50, the previous year. This inclusive leap guarantees that voices from all academic years and various schools are heard loud and clear, fostering an unbeatable spirit of unity and collaboration. Our vibrant members have taken on key roles in essential committees such as the Academic Council, Library, Hostels, Alumni, and the Internal Quality Assurance Cell (IQAC), among others.**

**Our Student Council's rigorous selection process ensures only the most passionate and capable individuals lead the charge. Through multiple interview rounds, we handpick final-year students to serve as Executive Members, while pre-final-year students step up as Member Secretaries. This unique structure not only promotes mentorship but also ensures a seamless continuity in student leadership. Together, we're shaping a brighter future—one student leader at a time!**

# SW EVENTS

## VIKSIT BHARAT @ 2047: VOICE OF YOUTH SEMINAR

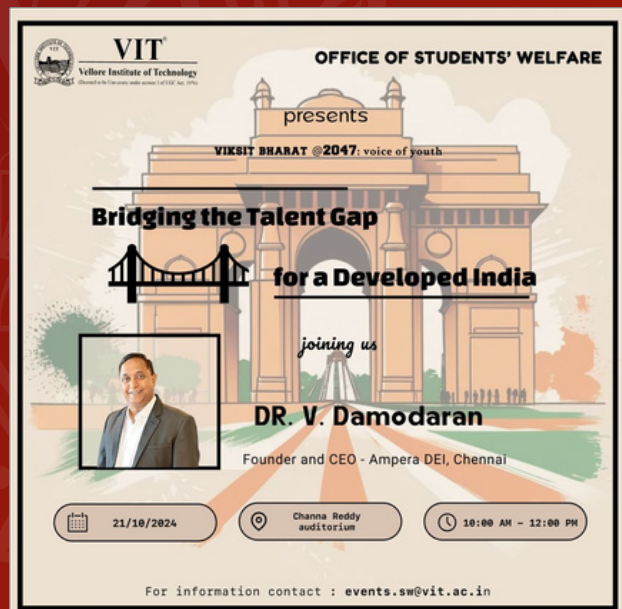

The youth of today are the leaders of tomorrow. It is said that *“The energy of youth is the fuel of transformation. With courage and purpose, they can turn their aspirations into actions that lead a country to greatness.”*

It is for the same reason that on 21st October 2024, the Office of Students welfare hosted a transformative seminar titled Viksit Bharat @ 2047: Voice of Youth – Bridging the Talent Gap for a Developed India, featuring Dr. V. Damodaran, Founder and CEO of Ampere DEI, Chennai. Dr. Damodaran, with over 25 years of experience in IT, Financial Services, and Academia, delivered an engaging talk that resonated deeply with students and faculty. The event saw an impressive turnout and was a major hit.

The vast talent gap between students and industry demands urgent action in today’s world. Dr. Damodaran highlighted both the challenges and opportunities facing the youth of today in contributing to a developed India. Through real-world examples and personal insights, he emphasized the skills and mindset shifts essential for India's progress and inspired students to take an active role in preparing for the future.

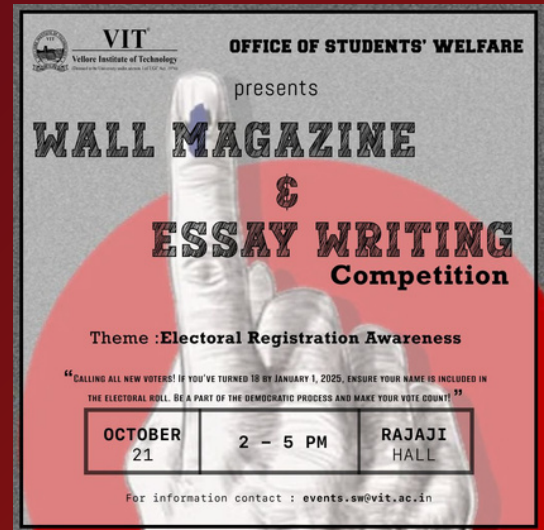

The event was highly interactive, with a Q&A session that allowed the students to gain extensive advice on navigating career paths in rapidly evolving fields. The enthusiastic response highlighted the interest of all the students in overcoming this issue and their collective interest in building a sustainable, skilled and a developed India for all.

This seminar served as a reminder for students to harness their potential in creating impactful change. The Student Welfare team looks forward to organizing similar sessions that continue empowering students to bridge the talent gap and contribute to India's vision of development by 2047.

## SYSTEMATIC VOTERS' EDUCATION AND ELECTORAL PARTICIPATION: WALL MAGAZINE AND ESSAY COMPETITION

On October 21st, the Student Welfare team organized a meaningful event under the Systematic Voters' Education and Electoral Participation (SVEEP) initiative. It was aimed at educating the students on the importance of voting and democratic participation. This event featured a Wall Magazine and Essay Competition, offering students an exciting platform to creatively express their understanding of voting's vital role in shaping our future.

**Wall Magazine Competition:** Participants were asked to create a visually appealing wall magazine showcasing captivating displays that emphasized the significance of voting. The event saw an enthusiastic participation with innovative submissions. Each magazine combined articles, illustrations, and creative elements that conveyed the impact of an informed vote on society, inspiring viewers to recognize their role in the democratic process.

The Essay Competition encouraged students to delve deeper into critical themes, including:

The Power of Your Vote: How Your Choice Can Shape the Future

The Importance of Informed Voting: The Role of Research and Awareness

The Challenges and Opportunities of Youth Participation in Elections

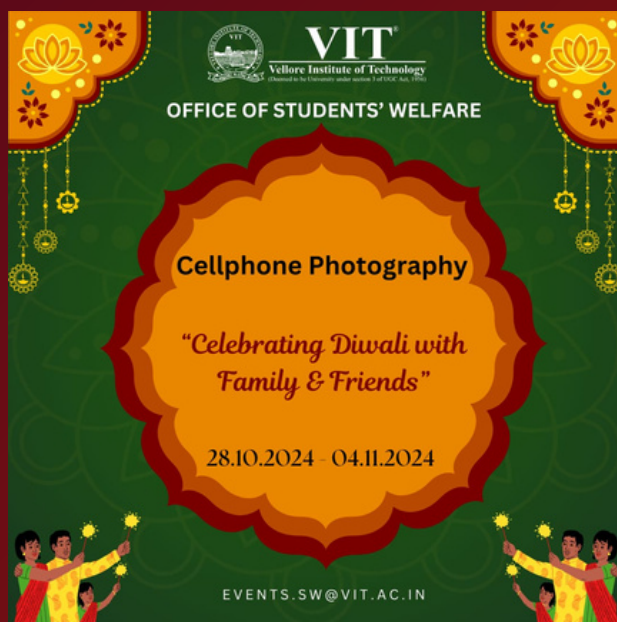

Through insightful essays, participants explored these topics with passion and depth. Their writings reflected diverse perspectives, emphasizing the need for awareness, research, and thoughtful decision-making in elections. Many essays highlighted the challenges faced by youth in fulfilling their democratic duties, providing a refreshing outlook on the role of informed voting in fostering a robust democracy.

With boundless energy and passion, the event was a dazzling triumph! It ignited thought-provoking conversations and heightened awareness about the democratic duties of every citizen. Such initiatives at our university continuously nurture a culture of knowledgeable, engaged, and responsible voters among students, empowering them to make a meaningful difference in society.

# SW EVENTS

## CELLPHONE PHOTOGRAPHY CONTEST: CELEBRATING DIWALI WITH FAMILY AND FRIENDS

Photos are like little time capsules. They help us hold on to the moments forever. The Office of Students Welfare team hosted a Cellphone Photography Contest from October 28th to November 4th, inviting students to capture the vibrant moments of Diwali with family and friends.

The students rose to the occasion by capturing unique and mesmerizing images that portrayed the essence of Diwali through their lens and perspective. From snaps of sparkling Diyas to Blazing fire crackers, from beautifully adorned homes to joyous gatherings- each photo offered a glimpse into its soulful connection with the students and how they celebrated this beautiful festival of lights.

To enter, participants were asked to post their photos on Instagram, tagging @sw\_vit, and to ensure that both their posts and profiles were public, allowing everyone to share in the festivities. A key guideline reminded students to avoid using photos from other sources, emphasizing authenticity and originality in their submissions.

As we look back on this Diwali, these photos serve as cherished keepsakes, capturing moments that words alone can't express. The SW Cellphone Photography Contest has not only showcased the creative talent within our student community but also highlighted the warmth, joy, and togetherness that define the festival of lights. Here's to many more such celebrations, where we continue to capture and hold on to memories that will last a lifetime. We thank everyone who participated and shared their Diwali magic with us!

# EMINENT TALKS

AIChE conducted their event alumni talk on 8th of October, 2024 featuring guest lecturer Ms. Jagriti Singh Shekhawat who was an alumni of 2019 Chemical engineering batch. She is currently employed at tesla in the United States and provided meticulous insight into her journey which included the importance of choosing the right subject for your masters as well as the scholarships they can apply too. The event concluded with her highlighting the importance of mentors while preparing for LORs and SOPs.

**Ms Jagriti Singh Shekhawat**  
AIChE-VIT

**Mr R Balaguru**  
BRSI

The Beyond Biotech 6.0 event at VIT on October 21, 2024, featured alumnus Mr. R. Balaguru, who discussed biotech careers beyond research, emphasizing entrepreneurship. Drawing from his leadership roles in Eminent Textile Mills and V.K. Palappa Nadar Poultry Farms, he announced an upcoming workshop and shared career advice during a Q&A session. Students gained valuable insights into merging biotechnology with business, exploring diverse career opportunities, and navigating entrepreneurial challenges.

The SDG: No Poverty workshop on 09 October 2024 hosted Dr. J. Balamurugan whose keynote emphasized poverty eradication through education, innovation, and collaboration. Key discussions covered poverty's challenges, technological solutions, and partnerships. An interactive Q&A encouraged engagement. The workshop inspired attendees to take actionable steps, with recommendations for future events on other SDGs for broader awareness and impact.

Bulls and Bears

# EMINENT TALKS

The event "Biopathways: Navigating Your Future" held on October 10th featured Mr. Vijayasathy Sampath Kumar, who discussed career options for Biotechnology graduates, including further studies, industry research, and PhD opportunities. He emphasized factors like personal interest, growth, certifications, and internships. A lively Q&A session followed, leaving participants inspired and motivated.

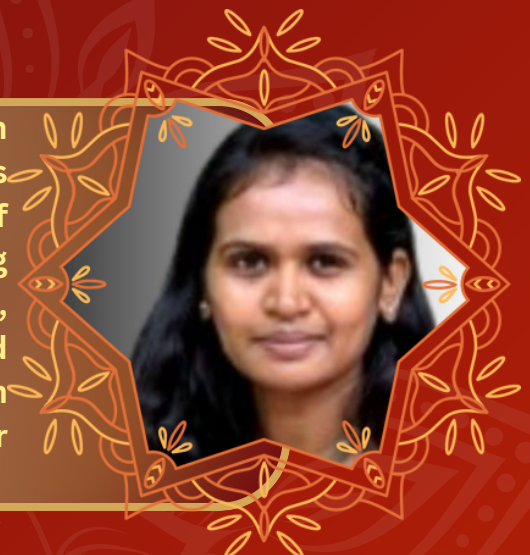

Mr Vijayasathy Sampath Kumar  
BRSI

Future Forward: Towards a Greener Tomorrow, held on 8th October, featured Dr. W. Jabez Osborne discussing sustainable development and environmental challenges. He emphasized education, innovation, and interdisciplinary collaboration for sustainability. Interactive discussions covered renewable energy, waste reduction, and sustainable design. The session concluded with a call to action, encouraging students to become sustainability ambassadors through green initiatives and community engagement.

Dr W Jabez Osborne  
Creativity Club

The CASA event on 11th October featured mental health counsellor Ms Beulah Valarmathi, who shared strategies for mental well-being. She emphasized the importance of self-care, stress management, and mindfulness, offering practical tips on recognizing triggers, setting boundaries, and maintaining a positive mindset. She encouraged seeking support from loved ones and professionals when needed, leaving the audience inspired to prioritize their mental health.

Ms Beulah Valarmathi  
Health Club

# EMINENT TALKS

The IEEE ComSoc and SESI event on VLSI design and embedded systems held on October 21, led by Mr. Katikila Pradeep, covered Xilinx Vivado, Zynq hardware, and 7-Series architecture. Topics included design flow, synthesis, static timing analysis, hardware debugging, and FPGA module interfacing. The participants engaged in practical demonstrations and discussions on Analog processing, IP cores, and DDR memory, concluding with a Q&A session.

**Mr Karthikila Pradeep**  
IEEE ComSoc and SESI

**Dr Col Mohinder Pal Singh**  
SAHITI-TLA

The event Opportunities in Defense Careers held by SAHITI-TLA on October 8th focussed on career pathways in the defence sector led by Dr. Col. Mohinder Pal Singh who provided a detailed presentation covering the NDA, CDS, and AFCAT entry schemes, as well as the scope of both technical and non-technical roles in the Army, Navy, and Air Force. He also discussed the qualifications required for various positions and the numerous benefits associated with a career in defence inspiring and guiding participants

SPIC MACY hosted a talk by Ms. Lakshmi A on October 8th about the role of performing arts in supporting mental health. She discussed the impact of good and bad stress, highlighting how practicing art can alleviate stress, reduce anxiety, and promote emotional healing. The session also emphasized the benefits of discipline, patience, and resilience, concluding with a case study on Vincent van Gogh.

**Ms Lakshmi A**  
SPIC MACY

# EMINENT TALKS

The event Saluting the Silent Protectors was conducted on October 9th, mainly focussing on the eve of emergency nurse day and world anaesthesia day. The speaker, Dr. Y.V.N. Sahitya provided a overview on the importance of nurses in emergency situations as well as the situations faced by the nurses and the future of anaesthesiology with integrated technology. She ended the session with a helpful insight on how to handle emergency.

Dr Y V N Sahitya  
SAHITI-TLA

Dr Mahesh V P  
SME-VIT

On October 4th, Dr. Mahesh V. P. delivered an insightful talk on "Solid State Processing: A Deep Dive into Modern Materials Science." The session explored advanced techniques in transforming solid-state materials to enhance their properties and performance. It provided valuable knowledge for students, researchers, and professionals keen on the latest developments in materials science.

On 11 October 2024, SBST hosted a talk by Mr. Sombuddha Sengupta, a research scholar from IIT Bombay and an alumnus of SBST VIT, on the use of crystallographic techniques in structural biology. He discussed X-ray crystallography, its role in determining atomic structures, and its application in antimicrobial resistance research. Mr. Sengupta emphasized the importance of collaboration in research and inspired students to explore careers in scientific research, concluding with a Q&A session.

Mr Sombuddha  
Students' Association of Bio-Engineering  
Science and Technology

# EMINENT TALKS

On 10th October, the event Breathe & Balance hosted a serene yoga session, uniting Ayuda and the Yoga Club, led by Dr. Srinivasan Latha. The event focused on mindful breathing and balancing postures, helping participants reconnect with their inner calm and well-being. Open to all levels, the session harmonized tranquility with strength, encouraging balance of body, mind, and spirit.

Dr Srinivasan Latha  
Ayuda and Yoga Club

The Yoga Club organized the event Confidence Catalyst on October 10, 2024 where students participated in this transformative workshop, which focused on helping attendees turn social anxiety into empowered communication. Through practical techniques, hands-on activities, and expert guidance, participants learned to calm their nerves, express themselves confidently, and engage in meaningful conversations, fostering self-assurance in social settings under the guidance of Professor Senthil Babu

Dr Senthil Babu  
Yoga Club

On 20th October 2024, SAE-VIT hosted an engaging alumni talk featuring Viashnav Menon who shared candid stories about workplace challenges and how VIT prepared him for real-life crises. As a former SAE board member, he discussed Gravitas' evolution and event management. The interactive session offered valuable career insights and highlighted the significance of college experiences as a foundation for future success.

Mr Viashnav Menon  
SAE-VIT

# CHAMPIONS OF THE MONTH

We are delighted to announce that Mr. P. Baskar (21BBT0187) has brought laurels to VIT by securing the Bronze Medal in the 5km run on October 2, 2024, organised by the Christian Medical College, Vellore, to promote awareness for heart health.

We are proud to announce that Ms. Dhruti Despande (23MHI0021) has won two bronze medals in the 50 meters freestyle and 50 meters butterfly events in the State Level Inter Collegiate Swimming Competition for Tamil Nadu Chief Minister's Trophy. Also, she was awarded a cash prize of Rs. 1 lakh.

We are happy to announce that Mr. Magesh.T, Assistant Physical Education Director has been selected as the coach for the Indian soft Tennis team, which will represent the country in the 4th World Junior Soft Tennis Championship in Jingshan, China, from November 1 to 7, 2024.

# CHAMPIONS OF THE MONTH

A hearty congratulation to following students who represented Vellore District and secured a bronze medal in the State Level Inter Collegiate Handball tournament for Tamil Nadu CM's Trophy and a cash prize of Rs. 3.50 lakhs:

# CLUB AND CHAPTER OF THE MONTH

**Astronomy Club:  
VIT Stellar**

**American Society  
of  
Mechanical Engineers**

# HIGHLIGHTS

## Astronomy Club: Antariksh - The Space Week : Crater Quest

The event focused on the technicalities of image segmentation for lunar surface exploration. Participants worked with high-resolution lunar datasets, implementing segmentation algorithms through hands-on activities. The workshop provided valuable insights into how these techniques support lunar missions and planetary science research.

## Standards Club: B.I.S Short Film Making Contest

The short film-making competition successfully generated impactful content to raise awareness about the Bureau of Indian Standards (BIS) and its crucial role in ensuring product quality and safety. Participants showcased their storytelling prowess by producing short films highlighting BIS initiatives. The event inspired innovative narratives, effectively promoting the significance of standards.

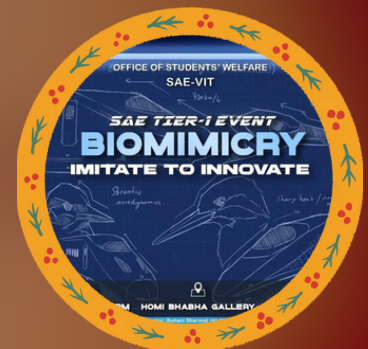

## American Society of Mechanical Engineers: Mech FaceOff 1.7

ASME-VIT hosted the Mech Face-off, a spirited debate on Manual Transmission vs Automatic Transmission. Participants passionately discussed control versus comfort, fuel efficiency versus ease of use, and driver engagement versus convenience. The event sparked insightful conversations on the pros and cons of each system, leaving the audience informed and inspired.

## SAE: BioMimicry: Immitate to Innovate

SAE-VIT successfully hosted the BioMimicry Innovation Challenge. Participants showcased their creativity and ingenuity by applying BioMimicry methods to develop innovative models addressing real-world problems. The event provided a platform to enhance skills and explore revolutionary technologies, with remarkable ideas gaining the opportunity for patenting.

# EXTERNAL PARTICIPANTS

S.No	REG.No	Name	Club/Chapter	Event Name
1	21BME0460	PAAVAN KALYANI	Team Sammard	Bangalore Space Expo 2024
2	21BCE2720	SHIVAM DEY		
3	22BEC0860	PRITHVI RAJ SINGH		
4	22BEC0130	ANSU BANERJEE		
5	22BCE3064	BHIRUD ARYAN MILIND		
6	22BME0201	SHASHWAT SRI		
7	22BME0227	DHAIRYA NAIMESH PATEL		
8	22BME0769	KAPILESHWAR SRIKANTH		
9	22BEI0012	B KEERTANA		
10	22BEC0499	KASULADEVU NAMRATHA		
1	21bec0131	SRINIDHI S	Nature Club	Drawing & Poster Making
2	21bec2112	DEEPAN KNOX XAVIER		
3	23bam0022	SRINIDHIYESWARI S		
4	21bce3423	PRANESH KUMAR P		

# EXTERNAL PARTICIPANTS

1	22BDS0019	PRATHAM DHAMIJA	VIT Dramatics Club	Fest Rendezvous 24
2	22BBT0131	NACHIKET NAGDA		
3	22BEC0494	UTKARSH SINHA		
4	22BME0199	PAWAR DEVESH SURENDRA		
5	22BBS0043	VARUN RAJ		
6	21BEE0266	SWAPNEEL CHATTERJEE		
7	23BBS0125	AAYUSHMAN BANDHU		
8	22BBS0010	ADITYA BISHT		
9	22BCE2127	PARTH SINGH		
10	22MIC0087	UTKARSH KUMAR

# AROUND THE WORLD

**METaverse:** The metaverse is a shared, immersive virtual world that combines VR, AR, and blockchain technology. This interactive environment lets users to build their own avatars, connect with others in real time, and explore virtual landscapes, locations, and experiences. The metaverse, which may be considered the next generation of the internet, has the potential to alter industries such as social media, entertainment, education, commerce, healthcare, and distant cooperation by enabling new forms of connection, creativity, and invention.

**TELEHEALTH:** Often known as telemedicine, is the remote delivery of healthcare services using digital platforms, allowing patients to get care from any location. Telehealth, which combines video conferencing, smartphone applications, and electronic health records (EHRs), allows for virtual consultations, remote monitoring, and personalized health management. This method increases accessibility, patient participation, and outcomes by removing geographical obstacles and simplifying chronic illness management, making excellent healthcare more convenient and cost-effective.

**TRANSPARENT TV:** Also known as See-Through TV, is a breakthrough display technology that incorporates transparent panels into daily life. Transparent TV uses OLED or LED screens to provide crystal-clear images while keeping a see-through view of the surroundings. This revolutionary display integrates seamlessly with home décor, shop displays, and public installations, improving visual experiences while without blocking views. Transparent TV, with applications in advertising, art, and entertainment, is redefining the future of display technology.

# Happy Birthday

**ELVEENA (21PHD0247)**

**C.POOJITHA REDDY (22BCT0313)**

**YASHWANT (21BEE0233)**

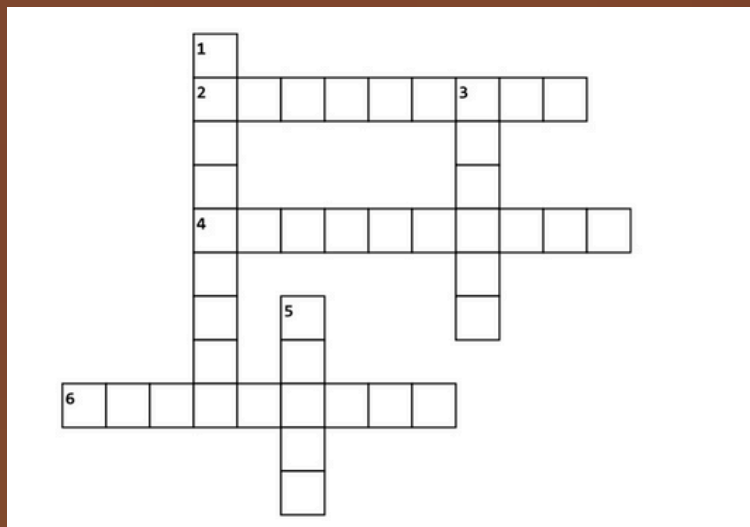

**ESHAL SHANOJ (22MIS0087)**

# PUZZLE

## ACROSS

2. This month's eminent talk featured a research scholar from IIT Bombay and an SBST VIT alumnus discussing crystallographic techniques in structural biology.(9 letters, 1 word)

4. The remote delivery of healthcare services using digital platforms, enabling care from any location.(9 letters)

6. An immersive virtual world combining VR, AR, and blockchain technology.(9 letters)

## DOWN

1. It is a renowned ATV Baja team with nearly two decades of excellence in designing and building high-performance all-terrain vehicles.

3. This is an Hindu festival which is the theme for the October newsletter.

5. A student initiative taught through an essay competition conducted by Students Welfare. (6 letters)

# TEAM KSHATRIYA - BAJA ATV

## RACING TEAM

Team Kshatriya is a renowned ATV Baja team with nearly two decades of excellence in designing and building high-performance all-terrain vehicles. With a structured approach, each department plays a crucial role in enhancing vehicle performance, safety, and reliability to excel in competitive Baja racing.

### OUR DEPARTMENTS

**-Vehicle Dynamics:** The Vehicle Dynamics team optimizes the ATV's handling, stability, and suspension, enabling it to tackle rough terrains with agility while minimizing impact on the driver. They carefully balance weight distribution and adjust shock absorption for a controlled ride.

**-Transmission:** Responsible for power delivery, the Transmission team focuses on efficiency, speed control, and reliability. They design gear ratios and select transmission types to maximize torque and performance across varied terrains.

**-Brakes:** Our Brakes department designs and implements robust braking systems that ensure quick, reliable stopping power, prioritizing safety under extreme conditions. They fine-tune disc brakes and calipers for optimal performance.

**-CAD (Computer-Aided Design):** The CAD specialists handle the initial design phase, creating detailed 3D models of the vehicle and its components. This department ensures each part meets performance standards and integrates seamlessly into the overall design. Our team collaborates across departments to produce a rugged, high-performance ATV capable of thriving in competitive environments.

### ACHIEVEMENTS

Team Kshatriya has consistently demonstrated expertise, innovation, and dedication to excellence, earning numerous awards: These are some of our recent awards .

**-Overall Static Award – mBAJA 2021 by NATRAX** Recognized for outstanding performance in static events, showcasing strong presentation, design, engineering insights, and strategic planning.

**-Manufacturing Presentation Award – SAEINDIA mBAJA April 2021** Awarded for our efficient and innovative manufacturing processes, highlighting our ability to balance quality and production feasibility.

**-Best Initiative Award – ATVC 2023** Honored with the Best Initiative Award for proactive contributions in areas like safety, environmental responsibility, and effective team management.

**-Engineering Design Award – Sponsored by Fiat India Automobiles Ltd.** Recognized for excellence in engineering design, with a focus on innovation, precision, and industry-aligned standards.

### OUR LEGACY

Through continuous innovation and teamwork, Team Kshatriya has become a respected name in the Baja ATV community. We remain dedicated to advancing our designs, pushing boundaries, and setting new standards in competitive off-road racing.

# STUDENT COUNSELLORS

## WHERE TO GO?

Feel free to contact any of the following counsellors whenever you need help, with your mental well being or guidance on personal life

**Dr.S.Tholkappiya Chezhan,**  
**MBBS., M.D (Psychiatry) Visiting Consultant**  
**Psychiatrist Health Centre, ALM block, First floor, Room**  
**No. 9**

**Consultation Days : Wednesdays :3.00pm to 6.00pm**  
**Thursdays :10.00am to 1.00pm**

## List of counsellors and contact details:
