VIT - A place to learn; A chance to grow

## ABOUT VIT BUSINESS SCHOOL

VIT Business School is a Premier Business School that adapts to cater to the evolving needs of the industry by providing resolute and innovative curriculum to the BBA / MBA / Ph. D graduates. VIT Business School, focuses on developing thought leaders, who are innovative, socially sensitive, ethically strong and globally competitive. We lay emphasis on fundamental business courses incorporating advanced and contemporary knowledge with a global mindset. At the same time, we nurture students to be sensitive to local and regional business dynamics. We employ the latest technology to deliver knowledge that enhances our teaching learning process and also complement it through collaborative research with reputed Universities abroad and the Industry. Industry relevant curricula that imparts finest skills which include: critical thinking, data crunching and analytical ability, crisis management, intelligent data driven decisions, business insights and best practices, cross-cultural management, team work, diversity management and many more to suit the current Industry requirements.

Apart from building students' IQ (Intelligence Quotient), VIT Business School concentrates on EQ (Emotional Quotient). The School's graduates are coached to be people-friendly managers, with an emphasis on team work and business ethics. The campuses at both Chennai and Vellore have the most modern facilities to groom the future industry leaders. While we emphasize on incorporating world-class knowledge delivery methods that are technology enabled, we equally emphasize on knowledge creation through collaborative research with international researches and Indian Industry.

**W**e promote a 'learning to learn' culture that provides life-long support in an ever changing business environment

## KEY OFFICIALS SPEAK

Over the last 25 years, VITBS has delivered transformative learning experience in Business Studies to its incumbents. Our MBA program infuses strong business principles with deep insights; and practices applied learning pedagogy. Rigorous and industry-relevant curriculum, active collaboration with Foreign Universities, Industrial Collaborators and Society prepares MBA graduates of VITBS to lead business beyond the boundaries, as Leaders. I am happy to realize that VIT Business School provides greater breadth, depth in its curriculum and caters permeability of analytic minds. These ingrains in our MBA graduates to ask the right questions that are refined, nurtured and espoused with values and organizational philosophies, to make right decisions. MBA Program is well-facilitated with best infrastructure, faculty members and learning environment. Over the 24 months, you will learn the dynamics of business in a broad range of sectors, with global exposure, from distinguished faculty members with strong domain expertise in their fields. The Program is bundled with the options of overseas study trips, Foreign exchange programs at premier Universities.

I see that our VITBS alumnus are among some of the best intellectually curious, creative and imaginative professionals who are placed as Business leaders with reputed organizations, Corporate houses, Universities of repute across the globe. Considerable numbers of them are also successful entrepreneurs.

I welcome you to apply for the Program and wish you the best!

**-Dr G Viswanathan,  
Chancellor, VIT**

We are at a critical point in Indian economy, where there is a demand for managers and business leaders who can place Indian businesses to lead the world economy, or those who can drive global businesses to succeed in India. VIT Business School prepares its graduates not only for these roles, but also to work and succeed across the globe by giving them the crucial edge coupled with innovation and Business ethics. VIT Business School has come a long way in the past 25 plus years.

I am immensely happy to understand that VIT Business School is moving ahead to meet the challenges of the 21st Century. The school places importance and takes pride in its digital infrastructure, and innovative pedagogy that enhances critical, analytical and entrepreneurial skills.

I wish all of you who read this will get into VITBS and become a Global Leader.

**-Dr. Anand A Samuel  
Vice Chancellor, VIT**

Recently, the School has been accredited by Accreditation Council for Business Schools and Programs ACBSP, USA and also hopes to be soon accredited by AACSB, USA. Achievements such as these testify that our academics and teaching-learning process are on, par with International standards. The School is consistently ranked among the top 30 in the country and Top 5 in the South India on Research, Teaching and Learning and Social Impact. Our faculty members are excellent in both research and teaching, and they are committed to providing students with the best business education. Many of them also have significant corporate experience. We have proven track record of placements and year on year the number of companies that visit the campus to recruit our graduates, the highest and the average salaries that they have offered keeps increasing. The School's network of more than 5000 alumni reaches into every industry sector. It is heart-warming to witness the growth of our Alumnus in a variety of fields ranging from Corporate houses to Social entrepreneurship. I welcome prospective candidates for the 2020-2022 batch !

**-Dr. Subhashree P  
Dean, VITBS**

**Raghu Ram K**  
Assistant Vice President  
Yes Bank Ltd

"It has been an amazing journey post completion of my MBA at VIT Business School, and have very fond memories of the amazing time spent in the campus. State of the art infrastructure with the best in class facilities, VIT is a knowledge powerhouse with the best teachers to guide you academically and personally. The campus is filled with positive energy and such is the exuberance which motivates one to give nothing but the best. It definitely has helped me in my overall holistic growth and I am ever grateful to VIT business school. Proud to be a VITan..."

**Rajinder Raina,**  
Global Category Manager,  
R&D Solutions.  
Nokia Solutions and Networks Limited

"Experience in VIT Business School helped to discover true self, true friends, and true career path. The business professors were not only instructors, they were as good as part of family. Studying at VIT Business School in the Business Administration prepared for the rigorous tasks that one would face in the Professional world. In our current position, we can apply things learnt during classes. Best experience was meeting all the great people in the program, as a result, developed amazing long life-long friendships"

**Rajaraman Tamilselvan**  
CEO - RTVS Consulting

"MBA from VIT Business School enabled me to enrich the knowledge with practical guidance and creative learning such as Book reading sessions and minor projects. My new career as a consultant started because of book reading session " The Toyota Way" And from the final year project " Practical application of 5S in small - medium - micro enterprise"... Currently IAM running a business growth consultancy @ Salem based on lean six Sigma...I am proud to be a vitians , to put my career in line to our national path of "Made India and Make in India" using zero defect and zero effect method ..."

**Ajay Sharma**  
Manager Sales & Marketing  
Arcelor Mittal Projects, Dubai

"I joined the MBA - International Business program at VIT Business School in 2007 and graduated in 2009, two years spent in the business school and the curriculum goes beyond the text books and prepares one for the industry. The faculty at VIT BS has decades of industry experience which is passed on to the students by means of case studies, interactive sessions, training programs, industrial visits etc. I thank VIT BS for providing me a Launching Platform for career advancement"

**Dr. Preethi Rani.**  
Manager - Human Resources  
Honeywell Technologies, Bangalore

"It was a transformational experience in my life because I was not the same person when I graduated my MBA and PhD from Business school. My college not just poured knowledge into me, but also equipped me with leadership skills and professional qualities that are required for this competitive corporate world. Proud to be part of VIT family"

**Dr. Lallu Joseph,**  
Quality Manager, CMC Vellore  
Principal Assessor of NABH

"The academic excellence at VIT University with world-class faculty, good infrastructure and brilliant students has endured me with excellence in my career. Innovations and technology adaptations in teaching by the faculty made every session vibrant, which opened my eyes to engaging with students. I adapted the techniques of simplifying lectures through relevant examples, cases, stories and technology backing, which has made me one of the most wanted faculty in healthcare quality, leading to the most coveted, young quality achiever award for healthcare quality in the country"
