# GraVITas'22 Valedictory Ceremony, 2nd October

The 13th edition of graVITas'22 was a great success. This edition of graVITas featured over 120 technical & 30 management fests with over 15000 footfalls from various colleges across India & also students from countries like Singapore & Canada.

graVITas'22 valedictory ceremony was held at the Channa Reddy Auditorium of Vellore Institute of Technology on 2nd October, 2022. The chief guest for the event was Ms. Cynthia Swarnalatha - Vice President – Engineering, Compute Business Group & HPE India R&D leader. She emphasized the importance of research for the betterment of society.

Mr. Amresh Kumar Senior Engineering Manager, HPE India R&D was the guest of honour for the ceremony. Other dignitaries include respected Vice-President of VIT Mr. Shankar Vishwanathan, Vice-Chancellor Dr. Rambabu Kodali, Pro Vice-chancellor Dr. S. Narayana, Registrar Dr. T Jayabarathi.

As always, the flagship events of graVITas like SAE-VIT Go-Karting, Indian Drone Racing League, Aerodominator etc had a plethora of creativity coupled with a mind-boggling technical outlook making the audience completely spellbound. Other smaller events such as Robowars, Star Party, Laser Tag etc.. were also conducted. GraVITas couldn't have taken place without the support of our sponsors Autodesk and Schneider Electric. HPE sponsored a hackathon called 'Odyssey'. Apart from the above mentioned, there were over 50 sponsors supporting our various events in the fest. The valedictory ceremony was concluded by distribution of prizes to winners of different events of graVITas'

The UNO declared in the year 1999 that 4-10 October of every year would to be celebrated as the World Space Week (WSW) all over the world, to create awareness in all the countries on the use of space for peace. The Satish Dhawan Space Centre Sriharikota Range (SDSC SHAR) also celebrates the WSW every year to propagate the benefits of Indian space programme to the scientific and academic communities, and the common public at various locations in India.

This scientific event comprises exhibition of ISRO rocketry, major milestones achieved and future missions. Educational awareness programmes like conducting extempore/elocution and design/modeling competition, running space utility videos etc. are also organised to stimulate the minds of the younger generation towards space science.

Towards this end, especially this year, it is planned to celebrate this scientific event at Vellore from 7th to 9th October 2022 for 3 days at Vellore Institute of Technology (VIT), Vellore for the benefit of rural and urban community around Vellore district comprising various events for the students of schools and colleges, in and around Vellore District.

In association with Indian Space Research Organisation's (ISRO) Satish Dhawan Space Centre, Sriharikota, Vellore Institute of Technology (VIT), Vellore, has organised a three-day World Space Week celebrations till Sunday.

According to a press release, Rajeev Singh, Executive Director, Bharat Heavy Electricals Limited (BHEL), Ranipet, inaugurated the World Space Week celebrations and urged the students to concentrate and understand the concepts of science and technology.

# ISRO World Space Week

# ISRO World Space Week

*7th to 9th Oct*

Deputy Director (Vehicle Assembly and Launch Facility) of Satish Dhawan Space Centre A. Syed Hamed said that ISRO celebrates World Space Week every year in various institutions targeting students. During the 1960s, Mr. Vikram Sarabhai, who is known as the father of the Indian space programme, envisioned that space science and technology would play an important role in the development of the country, he said.

In his address, G. Viswanathan, Chancellor of VIT, said India has been competing with developed countries in the space science and technology sector. Earlier, it was the USA and the Soviet Union which competed in space programmes and now India has been at the forefront in the field. India was one of the best countries in space technology and the technology should be beneficial to the country's economy and the economic development of the people, he said.

Later in the day, Mr. Viswanathan inaugurated an exhibition that featured various achievements of ISRO. On the occasion, VIT Vice-Presidents Sankar Viswanathan and G.V. Selvam, Shri R. Ramkumar, Chairman, WSW-Sub-Committee, Vellore, Pro-Vice Chancellor S. Narayanan, Registrar T. Jayabarathi and Chief Educational Officer (Vellore) K. Munusamy participated.

14th October
