24th SCIENCE, ENGINEERING AND TECHNOLOGY (SET) CONFERENCE

The 24th Edition of Science, Engineering, and Technology (SET) Conference will be organized by the School of Computer Science Engineering and Information Systems (SCORE). The Conference is scheduled on 23rd and 24th of November 2023.The central focus of the SET Conference is to encourage the PG students towards cutting-edge research avenues and promoting core & inter-disciplinary research culture among them. The conference would be the targeted venue for the students towards presenting their findings on niche areas of emerging domains and for attempting good quality publications in reputed journals.

23rd & 24th
NOVEMBER 2023
