

VIT[®]

Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

Chennai Mathematical Institute and The National Academy of Sciences Summer Workshop on Linear Algebra and Real Analysis (2023) In association with Vellore Institute of Technology, Vellore Dates : 6th July to 8th July 2023

The main objective of the summer workshop is to bring students with diverse backgrounds to a common level and help them acquire basic knowledge in Linear Algebra and Real Analysis. The foundational ideas will be explored in-depth throughout the lecture sessions. In tutorial sessions, the problems to be solved are based on the concepts of the lecture sessions. Additionally, this programme is intended to expose students to information on competitive exams after graduation, like GATE, CSIR and NBHM exams.

Speakers

Dr. Surjit Kumar

IIT Madras,
Chennai

Dr. K. N. Raghavan

Institute of Mathematical sciences,
Chennai

Dr. G. P. Youvaraj

Ramanujan Institute for
Advanced Study in Mathematics,
Chennai

Important Dates

Last date for Online application: June 30,2023

Date of Publishing list: July 2,2023

Programme dates: July 6-8,2023

About the Host Institution

VIT has made a mark in the field of higher education in India imparting quality education in a multi-cultural ambience, intertwined with extensive application-oriented research. VIT was established with the aim of providing quality higher education at par with institutions of international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education in all fields of science and technology. VIT was established by Honorable Dr. G. Viswanathan, the Founder and Chancellor, a visionary who transformed VIT into a Centre of excellence in higher technical education. In Engineering and Technology, VIT stands 240th best in the world and the 9th best in India, eight subjects of VIT are within the top 500 in the world (as per QS World University Ranking 2023). It is ranked the 8th best university and 11th best research institution and the 11th best engineering institution in India (NIRF ranking, Govt. of India 2023). It is ranked within the top 200 universities in Asia (QS – Asia University rankings 2023) and has got A++ in the 4th cycle of NAAC accreditation.

Eligibility

Final year Undergraduate students with mathematics as one of their main subjects. Students from in and around Vellore will be given preference.

Application Procedure

- No registration fee for participants.
- For completing the registration process visit the link <https://forms.gle/ustu4kYVUZFXNEww5>
- List of selected participants will be displayed on the VIT website and communicated through email.
