VIT ®
VIT - Technology Business Incubator

VIT Technology Business Incubator (VIT-TBI) is a joint initiative between VIT, Vellore and Department of Science & Technology, Govt. of India. VIT-TBI along with the School of Electrical Engineering, VIT offers the TEDP in IIoT with the. Support from NSTEDB under DST-NIMAT project, Govt. of India and Entrepreneurship Development Institute of India.
VIT-TBI provides incubation support to start-up ventures.

The objective of this Programme is to
• Expose the participants to the key steps in startup venturing process and equip them with adequate knowledge to initiate a venture in Electronics and IIOT-based technologies and/or services.
• Equip them with requisite skills, knowledge and competencies to convert their startup idea into a viable business entity.
• Select qualifying individuals with bankable project reports and provide an opportunity to present the same for incubation support or appropriate funding support.
This 6-week non-residential training Programme will cover essentials of:
Entrepreneurship/ Creativity & innovation/ Design Thinking/ Basic Electronics/ Sensors/ Communication protocols/ Introduction to IIoT, Data Science and Machine Learning/ IPR etc., and visits to industries.
Resource: Industry experts/ Academicians/ Technologists/ Entrepreneurs/ Representatives from the Govt.
Eligibility: Graduates & diploma holders in Engineering streams with interest to start a venture in Electronics & related domains.
Age: 22-45 years
