

VIT-TBI

Vellore Institute of Technology –
Technology Business Incubator
Vellore - 632 014, Tamil Nadu, India

NATIONAL LEVEL HANDS ON TRAINING CUM WORKSHOP ON BIO-ANALYTICAL INSTRUMENTATION

Course Description	Course Fees	Duration	Sessions
RT-PCR & HPLC	Rs. 2000/-	2 Day	IV

Real Time PCR is the most sensitive technique with applications in gene expression analysis, cancer phenotyping, detection of mutant genes, quantitative estimation of gene copy measurement etc.,

High performance liquid chromatography is a powerful technique in analytical chemistry to identify, analyze and to separate a specific valuable compound from a mixture, commonly used in all pharmaceutical research and development.

The course provides basic concept along with practical session including software handling using Bio-Rad CFX96 Real-Time PCR system and WATERS HPLC system

Eligibility : Graduates / College students pursuing B.Sc. / M.Sc. / B.Tech / M.Tech / Research scholars / faculties in Life science, Biotechnology, Microbiology.

Payment : DD in favour of “VIT-Technology Business Incubator” payable at Vellore

Workshop Date : 20/02/2020 to 21/02/2020 (02 days)
