VIT MATHFEST 2023

National Mathematics Day

Organized by

Department of Mathematics

School of Advanced Sciences, Vellore Institute of Technology-Vellore

About the Program

Continuing the tradition of the Department of Mathematics at the Vellore Institute of Technology, Vellore; this year too, on the 8th January, 2024, on the auspicious occasion of "National Mathematics Day" we are going to tender our sincerest homage to the legendary mathematician Srinivasa Ramanujan by organizing VIT MATHFEST 2023.

Ramanujan was and still remains one of the finest mathematical geniuses this land has ever produced. His works culminated in giving birth to numerous other mathematical arena in Analysis, Number Theory, and Continued Fractions etc. The proposed VIT MATHFEST 2023 is conceived, keeping undergraduate/postgraduate students and research scholars as the primary audience. Several invited talks aiming towards this group of target audience are going to be conducted. Mathematical Talent Examinations for UG and PG students are going to be one of the major attractions of this program. Awareness about importance of Mathematics in day-to-day life is going to be communicated throughout the program.
