Global Skill Development Centre

Certificate courses in Languages (Online Mode – Through Microsoft Teams)

Course Starting Date – 2nd November 2020 (Monday)

In this globalized village, it is indispensable to have a working knowledge of other languages such as German, French, Spanish, Japanese, Italian, Arabic and Hindi to have close association with developed societies. This would enhance the scientific-technical co-operation and cultural integration with the target societies; in turn, it will advance our growth and development in the modern era.

With this objective, VIT is offering different language learning opportunities to industry professionals, students and the public, to help them advance their career prospects and enhance the higher education opportunities, apart from exposing them to the cultural diversity of these developed countries.

VIT is following the Common European Framework of Reference in which the level of courses are classified as A1, A2, B1, B2, C1 and C2. Within this A1 and A2 levels provide a basic level of language knowledge. B1 and B2 level impart intermediate level and C1 and C2 help to attain the proficiency of the language in an advanced level.
