

We are happy to inform you that for ease of patentability search **three systems with patent search software (web based search system)** have been placed in PERIYAR EVR CENTRAL LIBRARY. The prospective users are requested to fill up the Google form below. Based on availability you will receive an approval email from the IPR & TT cell giving the day/time slot. You may visit the Library at a designated time slot to use the facility.

GOOGLE FORM FOR QUESTEL ORBIT SEARCH REQUEST:

<https://forms.gle/Zq4aiSEk4d6zPhbp>

The process is browser based and user friendly.
