

Online workshop on “Mastering Protein-Ligand Molecular Dynamics Simulation: From Theory to Practical with Data Analysis”

Are you a wet-lab researcher, bioinformatician, or a beginner eager to explore molecular dynamics (MD) simulations? Join our hands-on workshop to master protein-ligand simulations, from basics to advanced techniques.

What to expect?

- **Fundamentals of MD Simulation**
- **Practical demonstration of Protein-Ligand Simulations**
- **Interpreting MD Simulation Results**

.....

Date : 30.11.2024 (Saturday)
Registration closes on : 29.11.2024, 3:00 PM
Time : 10:00 AM to 4:00 PM
Course Fee : Rs 500/-
Platform : Zoom

Speaker

Dr. Kamalesh Damodaran,
Founder, ScientiFlow

(Credentials will be sent later)

(PhD from University of Montpellier, France)
