ABOUT THE WORKSHOP

This workshop aims to impart knowledge of the existing laws regarding IPR. Experts from the European Union and India will deliver sessions on various aspects of IPR. These sessions will benefit the students of all programs and professors involved in innovation and technology research. The sessions will deal with various forms of intellectual property.

ABOUT VIT

VIT was established to provide higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education consistently. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research spur us on in our relentless pursuit of excellence. In fact, it has become a way of life for us. The highly motivated youngsters on the campus are a constant source of pride. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty and encourage joint research projects for the mutual benefit of these universities. Many of our students, who pursue their research projects in foreign universities, bring high quality to their work and esteem to India and have done us proud.

SCHOOL OF SOCIAL SCIENCES AND LANGUAGES

Established as a distinct entity in 2009, the School of Social Sciences and Languages (SSL) employs innovative teaching methods and adopts interdisciplinary approaches to learning. The school helps students gain knowledge and skills that are required in the global market. It adheres to the highest standards in teaching-learning by employing innovative practices, ensuring excellence in research, and adopting rigorous internal peer and student reviews. The school is committed to providing a dynamic intellectual environment by fostering critical, reflective and conceptual thinking in students and aims to enrich their education by adopting unique approaches to learning. Integrating international perspectives into its teaching, the school attracts students from a wide range of cultural backgrounds and provides a uniquely rich and diverse learning and teaching environment. The school maintains an outstanding record of awards for excellence in teaching within the VIT community and in the broader higher education context.
