

VELLORE INSTITUTE OF TECHNOLOGY

VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research spur us on in our relentless pursuit of excellence. In fact, it has become a way of life for us. The highly motivated youngsters on the campus are a constant source of pride. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty and encourage joint research projects for the mutual benefit of these universities. Many of our students, who pursue their research projects in foreign universities, bring high quality to their work and esteem to India and have done us proud. With steady steps, we continue our march forward.

SCHOOL OF BIO SCIENCES AND TECHNOLOGY

The School of Bio Sciences and Technology consists of four departments namely Biotechnology, Integrative Biology, Bio Sciences and Bio-Medical Sciences. The school offers an undergraduate (B.Tech. Biotechnology), four post-graduate (M.Sc. and M.Tech), and two integrated postgraduate (M.Sc.) and Ph.D programmes. As per the National Education Policy, multiple entry and exit options are made available in the Integrated PG programmes. In addition to the regular programmes, specialisations are available in prominent areas. In addition to the regular curricular structure, the schools provides ample opportunities to expose the students in current research developments and to the requirements of the industries. Faculty members of SBST carry out both fundamental as well as translational research with a focus on providing sustainable solutions and offer consultancy services to various industries. The school boasts of having published 6000+ research and review articles with a h-index of 97; granted 55 patents. The research in the fields related to biosciences and technology has gained international prominence and consequently have been ranked in the range 351-400 in the broad subject areas of Biological Sciences and Chemistry by the 2024 QS World University Rankings by Subject.

HEALTH & HYGIENE AWARENESS 2025

About the Event

As part of our commitment to fostering awareness and responsibility among students, we at the School of Bio Sciences and Technology (SBST) propose to organize an event titled "Health and Hygiene" aligned with the theme of Swachh Bharat, on 17th February 2025.

The objective of this event is to educate and sensitize students and staff on importance of maintaining proper hygiene in our surroundings, hostels, and laboratories, while promoting healthy living practices.

Key Highlights of the Event:

- Focus on Hygiene in Hostels and Washrooms:
- Educating students on the importance of maintaining cleanliness in hostel premises and washrooms.
- Providing tips on proper waste disposal and personal hygiene practices.

Basic Good Laboratory Practices (GLP):

- Creating awareness on maintaining hygiene in laboratory environments to ensure safety and accuracy in research and experiments.
- Demonstrating proper handling of equipment and disposal of hazardous materials.
- Awareness Desks in Campus Buildings
- Setting up awareness desks in SMV and in front of woodys in VIT for a day and conduct interactive sessions.
- Highlighting the importance of personal hygiene, implications of not maintaining personal hygiene, waste segregation, and clean surroundings through visual aids and presentations.

Interactive Sessions and Demonstrations:

- Demonstrating easy-to-follow daily hygiene habits for both personal and communal spaces.
- We believe this event will not only align with the Swachh Bharat mission but also in still a sense of accountability among students for maintaining cleanliness in both personal and shared spaces.
