VIT-Technology Business Incubator

“ProteoPro” - An Industry-Ready Skill Development Program on Proteomics & Data Analysis Organized by VIT-TBI

“ProteoPro” is a cutting-edge skill development program designed by “VIT - Technology Business Incubator” to prepare students for high-demand careers in Proteomics , biotechnology, and healthcare. This hands-on training equips participants with the technical expertise and analytical skills needed for industry jobs, research roles, and placement opportunities.

What You’ll Learn

- ✓ Protein Expression Analysis – Essential for research & diagnostics
- ✓ Liquid Chromatography (LC) Techniques – Industry-standard protein separation methods
- ✓ Mass Spectrometry Basics – Protein profiling for biomarker discovery
- ✓ Data Analysis - Understanding industry applications of proteomics

Why Join?

- ✓ Gain job-ready skills for biotech and healthcare industries
- ✓ Boost your research prospects with hands-on experience
- ✓ Learn industry-standard workflows from experts

Date: 9th to 14th June 2025

Time: 10:00 AM - 5:00 PM (Every Day)

COURSE FEE: RS. 6500/-
