

One day National workshop on **HARNESSING IOT AND CLOUD FOR SCALABLE & SUSTAINABLE INTELLIGENT SYSTEMS**

3rd May 2025 (Saturday)

VENUE

Venue : Intelligent Industrial IoT and Computing Lab (PRP 108 - Pearl Research Park), VIT, Vellore

- Discover how IoT and cloud computing can drive scalable, sustainable, and intelligent solutions through an interactive learning experience.
- Hands-on exposure to integrating sensors with edge devices and cloud platforms, enabling real-time data processing and smart decision-making.
- Explore practical applications and gain the skills to build next-generation connected systems.

Register Now: <https://events.vit.ac.in>

Last date for registration is 30th April, 2025. The registration & fee payment can be done through the given link.
