Vellore Institute of Technology (VIT)

Vellore Institute of Technology was founded in 1984 as Vellore Engineering College by the Founder and Chancellor Dr. G. Viswanathan. Deemed to be University status was conferred in 2001 by MHRD Govt. of India in recognition of its excellence in academics, research and extracurricular initiatives.. Our commitment to international standards in teaching and research fuels our pursuit of academic excellence. Notably, Automotive Research Centre (ARC) leads the way in developing cutting-edge EV powertrains, including battery management systems and communication frameworks for advanced electric vehicles.

About the Event

Exploring research careers beyond academia opens up a world of possibilities for PhD and PG holders and early-stage researchers. Many transition into roles in industry, government, consulting, science communication, and entrepreneurship. Researchers often find fulfilling roles as data scientists, project managers, science communicators, or startup founders. The current event guides to identify transferable skills and navigate the transition for aspiring researchers.
