

VIT[®]
Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

School of Computer Science and Engineering

A ONE-DAY WORKSHOP ON TOOLS AND TECHNIQUES FOR HIGH-IMPACT RESEARCH AND PUBLICATIONS IN EMERGING FRONTIERS

12th September, 2025
10:00 A.M to 5:00 P.M.

**Shakespeare Gallery,
Technology Tower(TT), VIT, Vellore**

REGISTRATION FEES

Internal Participants
INR 200

External Participants
INR 400

SPEAKERS

Dr. R. PRAVEEN

Assistant Professor
Department of Computer Science and
Engineering
NIT, Puducherry

Dr. KRISHNA CHANDAR N

Associate Professor
Department of Physics
School of Advanced Sciences
VIT, Vellore

TARGET AUDIENCE

Faculty, Researchers & Students

ABOUT VIT

VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research spur us on in our relentless pursuit of excellence.

ABOUT SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

The School of Computer Science and Engineering was established in the year 2009 with the mission to strive persistently for achieving excellence in computing disciplines and an aim to carve a niche for itself in Computer Science and allied domains. The school strives to become a pioneering world-class centre of excellence in education and research through collaborative, consultative and participatory approaches. It nurtures effective capabilities for the development of high-quality technical and scientific manpower to meet the challenges of the knowledge era, and provide cost-effective Information and Communication Technology (ICT) - based solutions and value-added services to a variety of organisations and to meet the expectations of stakeholders.

ABOUT THE WORKSHOP

The One-Day Workshop on Tools and Techniques for High-Impact Research and Publications in Emerging Frontiers aims to equip researchers with the essential skills needed to organize, manage, and streamline their research process while enhancing the quality of publications in emerging domains. The sessions will offer valuable insights into conducting effective research and provide hands-on training with key tools such as Mendeley, Zotero, Tabbles, and Microsoft OneNote. These tools and techniques will help students, faculty, and research scholars identify problem statements more effectively, manage references systematically, and strengthen the overall quality of their research. Ultimately, the workshop will enable participants to refine their research paper writing skills, simplify research management, and achieve meaningful and impactful outcomes.

CONVENORS

Dr. JAISANKAR N

Dean-i/c, SCOPE

Dr. PARVEEN SULTANA H

Associate Dean-i/c, SCOPE

CO-CONVENORS

Dr. Swathi J N

Head, Dept. of Computational Intelligence, SCOPE

Dr. Rajkumar S

Head, Dept. of Analytics, SCOPE

COORDINATORS

Dr. Geraldine Bessie Amali D

Associate Professor
