UNDERGRADUATE WORKSHOP ON MATHEMATICS

Organized by
Department of Mathematics,
School of Advanced Sciences
Vellore Institute of Technology,
Vellore
Co-Sponsored by
IMSc, CMI and Krea University
Dates: February 11-13, 2026

Aim of the workshop:

The purpose of this workshop is to help participants strengthen their foundational knowledge in mathematics. The program is designed for undergraduate (B.Sc.) or integrated M.Sc. students in their second or third year of studies during the 2025-26 academic year who have basic mathematics as a core or elective subject. It will concentrate on essential concepts and will include lectures and tutorial sessions to enhance theoretical understanding and develop problem-solving skills. Participants will be familiarized with new ideas and trends in the fields of mathematics to prepare them for more advanced studies in these subjects.

About the Host Institution

VIT has made a mark in the field of higher education in India, imparting quality education in a multicultural ambience, tangled with extensive application-oriented research. VIT was established with the aim of providing quality higher education on par with institutions of global standards. It persistently seeks and adopts innovative methods to improve the quality of higher education in all fields of science and technology.

VIT was established by the honourable Dr. G. Viswanathan, the founder and Chancellor, a visionary who transformed VIT into a centre of excellence in higher technical education. In Engineering and Technology, VIT stands 142nd best in the world and the 9th best in India; ten subjects of VIT are within the top 500 in the world (as per QS World University Ranking by subject 2025). Within the top 20 in University, Research and Engineering categories in India (NIRF ranking, Government of India 2025). It is ranked as 2nd in India and 501-600 in the world (Shanghai ARWU ranking 2025) and has got A++ in NAAC accreditation.

Speakers

Dr. Surjit Kumar
IIT Madras, Chennai

Dr. R. Venkatesh
IISc, Bangalore

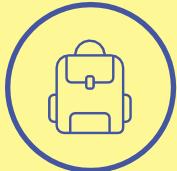

Dr. G.P. Youvaraj
RIASM, University of Madras

Undergraduate Workshop in Mathematics

Important Dates

Last date for online Application	: 07.02.2026
Last date for receiving recommendation letters	: 08.02.2026
Confirmation email will be sent to selected	
Participants	: 09.02.2026
Programme dates	: February 11-13

Eligibility

Second/Third year B.Sc. or Integrated M.Sc., Mathematics students.

Students from in and around Vellore will be given preference.

Application Procedure

- No registration fee for participants.
- Lunch will be provided for all the participants.
- Registration Link: <https://forms.gle/j84E2yVLgZhE2Noy5>
- While registering, students can provide the faculty name and email ID for their recommendation to participate in the workshop.
- The list of selected participants will be communicated through email.
- Participants must make their own arrangements for transport.
- Accommodation for participants can be provided upon request and on a payment basis.
