**Vellore Institute of Technology**  
(Deemed to be University under section 3 of UGC Act, 1956)

### **A Value Added Programme**

On

## **Value-Added Program: Hands-on Analog & Digital Circuit Design**

**Dates:** 21-02-2026 to 10-03-2026

**Organized by**

**School of Electrical Engineering  
Vellore Institute of Technology,  
Vellore-632014.**

### **ABOUT THE VAP**

The main objective of this programme is to enable the participants to have an in depth understanding and hands-on training related to several applications with ORCAD software tools related to electrical circuit analysis, and diagnosis. Since the VAP aims at equipping the participants with a wide gamut of tools, the programme spans for a period of 30 hours from 9<sup>th</sup> February to 9<sup>th</sup> March 2025. This VAP helps student to learn the fundamental analysis of digital and analog circuits, simulation of various analog circuits, design of digital circuits and hardware implementation of analog and digital circuits. The outcome of the VAP aims at providing comprehensive overview of designing and implementation of analog and digital circuits and understanding of the software tool and its need for the assessment of circuits and its diagnosis.

### **TECHNICAL SESSIONS**

- Fundamental analysis and simulation of ANN and Fuzzy Logic in MATLAB.
- Design and implementation of Digital Circuits.
- Hardware implementation of simple DC-AC circuits.
- Fundamental analysis of Analog Circuits.
- Hardware implementation of Analog and digital circuits.
- Design and development of Supervised Machine Learning Algorithms.
- Design and development of Unsupervised Machine Learning Algorithms.

### **ABOUT VIT**

VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research spurs us on in our relentless pursuit of excellence. In fact, it has become a way of life for us. The highly motivated youngsters on the campus are a constant source of pride. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty and encourage joint research projects for the mutual benefit of these universities. Many of our students, who pursue their research projects in foreign universities, bring high quality to their work and esteem to India and have done us proud. With steady steps, we continue our march forward.

### **ABOUT THE SCHOOL OF ELECTRICAL ENGINEERING**

The School of Electrical Engineering (SELECT) has over 98 faculty members who pursued their UG, PG and Doctoral degrees from top-notch universities. The school offers B.Tech. (Electrical and Electronics Engineering), B.Tech. (Electronics and Instrumentation Engineering), B.Tech. (Electrical and Computer Engineering), M.Tech. (Power Electronics and Drives), M. Tech. (Control and Automation), Ph.D. and Integrated Ph.D. in Engineering. Both B.Tech. and M.Tech. programmes attract the Intelligent students from the country and abroad. The B.Tech. (Electrical and Electronics Engineering) and B.Tech. (Electronics and Instrumentation Engineering) Programmes are accredited by the Engineering

Accreditation Commission of ABET. All UG & PG programmes of the school are accredited by the Institution of Engineering and Technology (IET), U.K. The placement record of the school has always been impressive. Almost 100% of the student secure job from the campus placement and many of them are recruited in core companies. Danfoss Advance Drives Lab, Schneider Electric Smart Energy Monitoring Lab, Fluke Testing and Calibration Lab, Q-Max Automated Test Engineering Lab (Alumni Sponsored Lab) and NxP Semiconductors have established Centre of Excellence for students R&D activities under the guidance of faculty members and industry experts.

#### Resource Persons

**Dr. Rajesh Kumar Lenka,  
SELECT, VIT**

**Dr. S Albert Alexander  
SELECT, VIT**

**Dr. Sonam Shrivastava  
SELECT, VIT**

#### REGISTRATION

Registration fee : Rs.200/-

\* Registration fee excludes 18% GST.

Prospective participants are requested to register for the VAP through the following web link

<https://events.vit.ac.in/>

#### IMPORTANT DATES

**Last date for registration: 21-02-2026**

Dates of VAP Classes
21-02-2026---- 10-03-2026

#### Co-ordinators

Dr. Rajesh Kumar Lenka,  
Mobile No. : 8763326674  
Email : rajeshkumar.lenka@vit.ac.in

Dr. Sonam Shrivastava  
Mobile No. : 7978117961  
Email : sonam.shrivastava@vit.ac.in

Dr. S Albert Alexander  
Mobile No. : 9865931597  
Email : albert.alexander@vit.ac.in

#### ORGANIZING COMMITTEE

##### Chief Patron

Dr. G. Viswanathan  
Chancellor

##### Patrons

Shri. Sankar Viswanathan, Vice President  
Dr. Sekar Viswanathan, Vice President  
Dr. G. V. Selvam, Vice President  
Dr. V.S. Kanchana Bhaaskaran, Vice Chancellor  
Dr. Partha S. Mallick, Pro-Vice-Chancellor  
Dr. T. Jayabarathi, Registrar

##### Organizing Chair

Dr. KOWSALYA M,  
Dean, SELECT

Dr. RUBAN N,  
Associate Dean, SELECT

##### Convenor

Dr. P. Vijayapriya,  
HoD, Electrical Engineering

Dr. P. Mahalakshmi,  
HoD, Instrumentation

Dr. Vinodh Kumar E,  
HoD, Control and Automation

Dr. Yeddula Pedda Obulesu  
HoD, Energy and Power Electronics
