

VIT[®]

Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)
Vellore, Tamil Nadu, India

ABOUT VIT

Vellore Institute of Technology (VIT) was founded in 1984 as Vellore Engineering College by the Honourable Chancellor Dr. G. Viswanathan. The Institution has grown steadily since its humble beginning. VIT attracts students from all over India and more than 50 countries because of its excellence. VIT has emerged as one of India's best Institutes and aspires to become a global leader in education. Quality in teaching-learning, research and innovation make VIT a unique place to learn. VIT is the 14th best in the university category, 14th best research and the 16th best engineering institution of India in 2025 NIRF Ranking published by the Ministry of Education, Govt. of India. VIT is ranked within the top 150 in Asia (QS -Asia University Rankings 2025) & ranked 691st in the QS World University Rankings 2026. VIT achieved NAAC Accreditation with A++ grade in the 4th cycle. VIT is one among the top 2 institutions in India and within 501-600 Universities of the world as Per Shanghai ARWU Ranking 2024.

VIT is also Ranked by Times Higher Education (THE) World University Ranking, US News Ranking, Round University Ranking, Russia and others. VIT is the first institute of India to receive QS 4-Star rating in overall category and QS 5-Star rating in teaching, employability, facilities, innovation and inclusiveness.

ABOUT CCE

Centre for Clean Environment (CCE), Vellore institute of Technology was established in 2022 with the intention to associate with Global Sustainable Development Goals adopted by the United Nations. CCE is an independent research centre of the VIT that focuses on finding innovative technologies and sustainable solutions for the environmental issues at regional and global level. The centre address environmental concerns by collaborating with government, industry, non-government organizations and leading academic partners through national and international research networks. Our thrust area of research and consultancy revolves around wastewater treatment, solid waste management, waste to energy clean energy, novel materials for environmental remediation, multidisciplinary approach towards environmental monitoring, bioremediation of organic pollutants in soil and water, modelling, heavy metal removal, air pollution, environmental awareness, and other relevant areas of environmental concerns.

CENTRE FOR CLEAN ENVIRONMENT

Online Seminar on

“Gender Equality for Sustainable water Management ”

26th March 2026

2026 Water and gender

Source: <https://www.un.org/en/observances/water-day/background>

ABOUT THE SEMINAR

World Water Day is held globally on March 22nd every year since 1993 to create awareness on water. Theme of World Water Day 2026 is “**Water and Gender**” which emphasizes safe drinking water and sanitation as fundamental human rights and critical enablers of gender equality, directly contributing to Sustainable Development Goals 6 and 5. In connection with World Water Day 2026 celebration Centre for Clean Environment (CCE) VIT, Vellore is organizing a one-day seminar on ‘Gender Equality for Sustainable Water Management’. The main objective of the seminar is to create awareness on water quality and water management emphasizing the theme of World Water Day 2026. Lectures will be delivered by experts from premier academic Institutions & Industries.
