VALUE ADDED COURSE

VAC 2605 Empower-Based Linguaskill-Focused English Communication (B1+ CEFR)

ABOUT THE COURSE

The Empower-Based Linguaskill-Focused English Communication course develops English communication proficiency through interactive, task-based learning. Aligned with CEFR B1+ and Cambridge Linguaskill, it prepares learners for academic success, multicultural interaction, and enhanced employability. Participants will learn practical English communication skills valued by multinational employers, helping them communicate confidently in global workplace settings. This Value Added Course prepares you for the Cambridge Linguaskill certification examination, the modern alternative for assessing workplace English proficiency.
