About VIT, Vellore

Vellore Institute of Technology (VIT) was founded in 1984 as Vellore Engineering College by the Honourable Chancellor, Dr. G. Viswanathan. The institution has grown steadily since its humble beginning becoming a Deemed University in 2001. It has been providing quality higher education on par with international standards and adopts innovative methods to improve the quality of higher education. The global standards set at VIT in the domains of teaching and research spur us on in our relentless pursuit of excellence. Memoranda of Understanding with various international universities provide opportunities for exchange of students and faculty and encourage joint research projects. With steady steps, we continue our march forward. VIT is ranked at 597 in QS World University Rankings 2027. The campus has a cosmopolitan atmosphere with students from all corners of the globe.

We look forward to meeting you here at VIT.

About the Department of Chemistry

The department consists of a total of 77 experienced and energetic faculty members. The Department is recognized by DST-FIST to establish sophisticated instrumental facilities. We offer 2 years MSc and 5 years integrated MSc program in Chemistry. Our MSc program (2 years) offers specialization in Analytical/Inorganic/Organic/General/Pharmaceutical Chemistry. The subject Chemistry in VIT is ranked at 9 in India and top 251- 300 in the world as per QS World University Subject Rankings 2026
