

ONE-DAY HANDS-ON WORKSHOP

From Idea to Live App

A Hands-On Workshop on AI-Powered Software Development

10 October 2026
Saturday

ORGANIZED BY

School of Computer Science and Engineering
(SCOPE)

ORGANIZING COMMITTEE

CHIEF PATRON

Dr. G. Viswanathan, Chancellor

CONVENER

Dr. N. Jaisankar, Dean In-charge, SCOPE

CO-CONVENER

Dr. H. Parveen Sultana, Associate Dean In-charge, SCOPE

PATRONS

Mr. Sankar Viswanathan, Vice President

Dr. Sekar Viswanathan, Vice President

Dr. G V Selvam, Vice President

Dr. Sandhya Pentareddy, Executive Director

Ms. Kadhambari S Viswanathan, Assistant Vice-President

CO-PATRONS

Dr. V. S. Kanchana Bhaaskaran, Vice Chancellor

Dr. Partha Sharathi Mallick, Pro-Vice Chancellor

Dr. T. Jayabarathi, Registrar

ORGANIZING CHAIRS

Dr. Gayathri P

HOD, Department of Computational Intelligence, SCOPE

Dr. J Saira Banu

HOD, Department of IoT, SCOPE

ABOUT VIT

VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research encourage us in our relentless pursuit of excellence. Our Memoranda of Understanding with various international universities are our major strength.

ABOUT THE WORKSHOP

This workshop provides participants with practical, industry-oriented exposure to the latest AI-powered approaches for modern software development. It focuses on how Generative AI, AI coding assistants, and intelligent agents are transforming the way software is designed, developed, tested, and deployed.

Through interactive demonstrations and hands-on activities, participants will learn to transform an idea into a functional software application, leverage AI tools for coding and debugging, automate development workflows, and deploy applications to a live environment. The workshop also introduces emerging practices in AI-assisted software engineering, agentic AI, and automation, enabling participants to gain practical experience and develop a working application using contemporary development tools and techniques.

CONTENTS OF THE PROGRAMME

- Introduction to AI-Powered Software Development
- Generative AI Tools for Coding and Debugging
- Software Development Using Claude Code
- AI Model APIs and AI Agent Integration
- Idea-to-Application Development
- Application Testing and System Design
- AI-Assisted Deployment and Production
- Hands-on AI Application Development
- AI Automation and Modern Software Engineering Practices
- Mini Project Development and Demonstration

RESOURCE PERSON

Mr. Ragul KTS

Founder, HighOnSwift

AI Strategist - Chennai

REGISTER NOW

Participants are requested to register for the workshop through the web link

<https://events.vit.ac.in/>

REGISTRATION DETAILS

REGISTRATION
FEE

Rs. 250
+ GST 18%

LAST DATE FOR
REGISTRATION

Oct 06, 2026
Tuesday

TARGET PARTICIPANTS

- ✓ UG & PG Students
- ✓ Research Scholars

SCAN TO REGISTER

E-CERTIFICATES WILL BE PROVIDED
