Vellore Institute of Technology
(Established by the Government of Tamil Nadu in 1984)

NexAI 2026 · Industry-Academia Conclave

ORGANIZED BY School of Computing Science and Engineering (SCOPE) · Vellore Institute of Technology (VIT)

<> CODEATHON

IntelliCode 2026

Coding the Future with AI

DATE 23 October 2026

VENUE VIT, Vellore, Tamil Nadu – SJT 417

MODE OF PARTICIPATION **On-Campus**
— Offline participation at VIT campus

TEAM SIZE 2–4 Members

WHY CODEATHON?

Apply programming concepts, algorithmic techniques, and emerging technologies to design and develop innovative, functional solutions within a defined timeframe.

WHAT TO EXPECT?

- Artificial Intelligence & Machine Learning
- Data Science, Analytics & Visualization
- Web Development & Cloud Computing
- Database Querying, Management & Analysis
- Real-World Problem Solving & Application Development

RESOURCE PERSON

Mr. Ramkumar Ethiraj
Principal Software Engineer
Optum (UnitedHealth Group),
Chennai

CODEATHON TIMELINE

CODEATHON WORKFLOW

TECHNOLOGY STACK

Python Java C++ SQL Web
ML Data Science Cloud Others

WHO SHOULD ATTEND?

- Open to all UG, PG, Research Scholars
- Interdisciplinary Teams are Encouraged

EVENT HIGHLIGHTS

- Mentorship from industry experts
- Networking opportunities
- Industry-relevant challenges
- Prizes & certificates

★ **Internship opportunities**

EVALUATION CRITERIA

- 01 Correctness & Functionality
- 02 Problem-Solving Ability
- 03 Technical Proficiency
- 04 Efficiency & Optimization
- 05 Innovation & Code Quality
- 06 Time Management

PRIZES

1ST PRIZE ₹5,000

2ND PRIZE ₹3,000

3RD PRIZE ₹2,000

GUIDELINES FOR PARTICIPANTS

- Bring your own laptop
- Any form of plagiarism will lead to disqualification
- Organizers' decision will be final and binding
- Code of conduct must be followed by all participants
