Bio-NEST

Online hands-on workshop on "DNA Sanger Sequencing & Mutation Analysis" organized by VIT-TBI

An intensive, hands-on workshop designed to transform conceptual understanding into practical expertise in ***DNA sequencing and mutation analysis***. Gain end-to-end, hands-on experience in processing ***raw sequencing data, including sequence quality control and trimming, mutation detection, variant interpretation, and prediction of functional consequences at the protein level***.

e-Certificate will be given to the participants upon successful completion.

WHO CAN ATTEND?

Graduates / Students pursuing B.Sc. / M.Sc. / B.Tech / M.Tech / Research scholars / Faculties in Life science, Biotechnology, Microbiology

ONLINE PAYMENT DETAILS
