**ONE-DAY ONLINE WORKSHOP**

# Empowering Educators with AI: Innovative Teaching and Learner Engagement

**13 DECEMBER 2026 | 10:00 AM - 5:30 PM IST | ONLINE**

**Last date for registration: 10 December 2026**

## ABOUT THE WORKSHOP

Build practical skills in AI-assisted content development, learner engagement, finance teaching, classroom gamification and learning analytics. Five sessions combine demonstrations, guided practice and discussion to help participants apply AI in their teaching.

## ABOUT VIT VELLORE

Vellore Institute of Technology (VIT), established in 1984, is accredited by NAAC with an A++ grade. VIT is ranked 597th globally in the QS World University Rankings 2027 and 14th in both the University and Research categories in NIRF 2025. Its Engineering and Technology area is ranked 119th globally in the QS World University Rankings by Subject 2026. Research in artificial intelligence and data science, alongside innovative teaching practices, supports its focus on technology-enabled education and interdisciplinary learning.

## ABOUT VITOL

VIT Online Learning Institute (VITOL) offers flexible online education for learners and working professionals. Its two-year online degree programmes include MBA, MCA and M.Sc. Data Science. Learners benefit from live and asynchronous classes, structured course materials, course mentors and student support. Experienced VIT faculty deliver the programmes, with an emphasis on well-defined learning objectives and continuous engagement. These practices provide a useful foundation for educators exploring digital teaching and learner support.
