About This Collection

痴汉日记3 brings together a special total of sixteen people in one uncut large orgy that never pauses for pretense. The setting spills across train cars and dim corridors, where black stockings and big tits meet sweaty hot chicks who let themselves be taken by the crowd. When I secretly approached Kaede Karen from behind, she suddenly turned into an instant IPZZ fantasy, her movements ipzz with the kind of raw energy that makes every groping hand feel earned. The special runs long enough to catch every gasp and every release, all remastered in crisp detail. The action stays uncut, a total of sixteen scenes stitched together by the same desperate rhythm, each one tagged IPZZ-703 and SSIS-881 in the credits. Karen and Kaede trade places in a game of humiliation and pleasure, their large breasts bouncing as they service the line of men who waited their

turn. From behind, a hand slides up the thigh, then suddenly lips part for a deep throat that leaves the viewer breathless. View the full gallery above to see the complete uncut large orgy.
