About This Collection

Bikinibee heats up the screen in a Savage X Fenty set she just had to show off after a recent photoshoot, teasing fans with a peek under her dress while her dog and kitty play in the background. With a HAPPY FREKIN JULY vibe and workout-ready energy, she invites viewers to imagine how they'd cool her down. The designer behind the handmade reversible swimwear keeps things playful, flashing that famous smile in a hot summer morning clip and even cooling down after an ice bath. See the full gallery through the link above.
