About This Collection

From Texas history to beyond the track, this gallery captures raw heat when the men's 100m final at World Athletics Championships isn't the only race worth watching. Ariella and Austin photos add playful chemistry, while five Friday music editions set the perfect mood. Brooke Marcell brings her own brand of action—oily soles, booty for days, and a double video drop that keeps the energy high. Explore the full gallery via the link above.
