About This Collection

cakiibb brings together some of the most recognizable names from Blizzard and Marvel fandoms in a bold new light. Va share the spotlight with Mercy, Mei, Kiriko, and Juno, while Scarlet Witch and Luna Snow add a touch of cosmic flair. The collection mixes League of Legends and Overwatch Ero with naked and nude interpretations, creating a gallery that celebrates both familiar faces and fresh takes. Widowmaker and Gwen Stacy bring their own sharp energy, drawn with striking detail by nianbingzi. Click to view the full gallery above.
