About This Collection

c0rros1on and Lexine Warner anchor this teasing futanari gallery, where 2 futas display thick long cocks, a huge dick, and a snug fit as Deathmask, Luke Cage, and figures from X-Men and Justice League enter the scene. com tags hint at further variations. The action moves from views of anus, ass, areola, and armpit hair to cockring play, docking, cum, and death by penis, blending hentai art, orc fantasy, and Russian-language futa porn comics.
