About This Collection

The gallery "futa on femboy comics" gathers a wild mix of stories where futanari characters meet playful femboys in all manner of daring scenarios. Whether it's a hero's end or a trap set by a femboy with secrets, the collection leans into the kinkier side of hentai and r34 art. Japanese manga like Otokonoko Fuuzoku and Rocketdick blend with fan-made comics and parody porn, all packed with tentacles, mysterious histories, and plenty of explicit action. From Nixie's innocent awakening to a crestfallen priest caught in a "prepare to cum" moment, these pages bring together succubi, demon oni, and even a teacher with a taste for preschoolers.
