About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions provided. Also must not use forbidden words. The captions contain many words; we need to include many of them. Must include at least 20% of key words from captions (names, nicknames, distinctive terms). "gdpr úrad" maybe Slovak for "GDPR office". Language likely Slovak. So we must write description in Slovak.

Must be plain text, no markdown, no lists, no quotes. But the captions are about GDPR, not adult content. Must reuse at least 20% of key words from captions. Must end with natural invitation to view full gallery via link above. " Title is "gdpr úrad" which is Slovak? Must include exact words: gdpr, compliance, principles, general, data, protection, regulation, three, years, later, what, learned, seven, exercising, rights. Must be 60-90 words.

We'll include many of them.

But we must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes, no "not only X but Y", "At its core", forced groups of exactly three items. Use "to" instead of "in order to", "because" instead of "due to the fact that". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or a plain natural invitation. No emojis, no curly quotes, no markdown, no bold text. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must end with invitation to view full gallery via link above. So something like "View the full gallery via the link above." That is a concrete invitation.

We must ensure we don't use any forbidden words. Avoid "furthermore". Avoid "landscape". Avoid "delve". Avoid "boasts". Avoid "serves as". Avoid "furthermore". Avoid "vibrant". Avoid "additionally".
